

Hart Cops Single Honors In Elk Bowling Tournament With 623 Pins

623 MARK WINS SINGLE HONORS IN ELK TOURNEY

Yesterday in Great Finish Outclasses Opponents—Federals Take Team Leadership From Elks With 2668 Pins.

In a sensational finish Hart took the high prize in the closing minutes of the city bowling tournament at the Elks' temple late yesterday afternoon, felling less than 200 in each of his first two games, Hart went into the third with vim totaling 233 for the 19 frames and bringing his score up to 623, far ahead of Laudeman, who jumped into the lead Saturday night with 609 as the pace maker.

Yesterday's pacing finished the city tournament with the Federals leading the five-men teams with 2,953, Ellsasser and Fishmann also sprang a surprise during the Sunday rolling by taking the lead in the doubles with 1,127, topping the Zimmerman-Campbell team by 26 pins. With the exception of the two new winners there was very little change in the standings.

There was a large number of entries during the tourney and although the scores this year did not outclass those of last, the interest in the competition was strong. In the five-men events 25 teams were entered, 40 teams rolled in the doubles and 80 individuals competed for honors. Much of the success of the tourney was due to the efforts of John V. Casimer and Robert Schnelle, secretary and president of the city association, who made arrangements for and conducted the events.

By winning the five-men prize the Federals removed the Silver Edge from the championship pedestal while Ellsasser and Fishmann took the place of Messick and Zimmerman as holders of the doubles title. Holland won the individual championship last year but did not show up as well during the present tourney, leaving the honors to Hart.

SWEETHEART WINS POINT

Prevents Young Cy Young From Joining Western Team.

CADILLAC, Mich., Jan. 4.—Because he just can't think for a moment of leaving his home town, his parents and his best girl and going several hundred miles to Kansas City, where he would be required to remain for some six months without a trip back home, "Cy" Young, 21 years old, standing third in batting in the Michigan State league with an average of .306 for the 1914 season, and the leading fielding shortstop in the Class D organization in 1914, and again in 1914, has notified Sair C. Moore, president of the Cadillac club, that he is through with baseball.

With the loss of Young, baseball loses a real ball player, a lad who looked good enough for the majors.

"Young surely loves that girl a heap and then some," said Dr. Moore, after reading Young's latest letter, in which the latter gave the above mentioned reasons why he would not sign a Kansas City contract.

Young last fall was sold to Kansas City, along with Shy Sharrock, star hurler on the local club.

Cadillac club officials have given up all hope of inducing Cy to leave his home country and go to Kansas City. And they know it is not because Young is dissatisfied with the contract offered him by the western club, but just because Kansas City is so far away from home and from "her," especially from "her."

FLYNN IS GOING STRONG

Jim is Confident He Will Defeat Al Reich Tuesday.

NEW YORK, Jan. 4.—Jim Flynn, the fighting fireman of Pueblo, who defeated One-round Davis in Buffalo by a knockout in seven rounds, is full of confidence in his ability to decisively defeat Al Reich at the Broadway Sporting club of Brooklyn Tuesday night. Flynn is now boxing in his very best form.

MIGHT RAIN.

Pres't Gaffney, owner of the amazing Boston Braves, presented all the Boston baseball scribes with umbrellas for Christmas.

What's the matter, Uncle Jim, does it look like stormy weather in 1915?

CENTRAL LEAGUE NEEDS ANOTHER TEAM TO START

Rumored That Wheeling, Va., May Be Induced to Enter Organization—To Organize for Five Years.

Pres't "Louie" Heilbroner will issue his call to the remnants of the Central league some time during the next two weeks according to reports from Fort Wayne. When the remnants are brought together, "Louie" expects to develop some means of continuing the class C circuit for another year.

Heilbroner is anxious to make of the Central league an eight club circuit, but with only five clubs within even hailing distance at this time, "Louie" is having some difficulty in rounding up three other towns. It is reported that he will be satisfied with one more club.

"If the president and directors are not satisfied that three new cities can be secured they will be content with one. There are plenty of applications for franchises and there will be no difficulty in adding one and going again at half a dozen and trying this Michigan franchise in the manner in which the attitude of Heilbroner is given out by one Fort Wayne sport writer.

BOTH ANXIOUS TO WIN

NEW YORK, Jan. 4.—At the League A. C. Monday night Willie Beecher meets Tommy Murphy. These two boys are training very hard as a victor in either will mean a match with either Young Shugrue or Charlie White.

M'FARLAND DOES SOCIETY

Packey is Too Busy to Talk to Newspaper Men.

When Packey McFarland came to New York the fans expected to see a lot of him. As a matter of fact Packey has put up at one of Gotham's best hotels and not even the newspapermen can get the chipped stockyards boy to come out in the open.

McFarland was lured to the phone the other night by a sporting scribe and Packey informed him that he couldn't spare a moment to talk then, but that he would have dinner on at the hotel and he had to don his tuxedo and get in the swim. Hi! Ho! Such is fame b-gosh!

NOT AFTER DEVILIN.

Owner James McGill of the Denver club of the Western league denies that Arthur Devlin, the old Giant, will lead his Denver Bears next season. McGill says he never had any intention of hiring Devlin and says he still is hopeful that Jim Coffey, the former Fordham player, will again pilot his club next season. The Pirates now hold title to Coffey, but Coffey does not want to go to Pittsburgh and McGill has hopes of winning him back from Barney Dreyfus.

PIONEER DIES.

RENO, Nev., Jan. 4.—Stephen G. Barber, Nevada pioneer, brother of Quincy Barber, the famous sharpshooter, known as the "fighting parson" of the Wisconsin infantry in the civil war, and of Charles Barber of Watska, Ill., died suddenly here Saturday.

CAN GUNBOAT HIT? M'CARTY THINKS SO

Eastern Battler Carried Clean Off the Floor By One of Smith's Punches.

Gunboat Smith shattered his run of bad luck when he sent his right crashing against Tommy McCarty's jaw. McCarty, a cousin of the unfortunate Luther, walked into the hard thumping Gunner with never a thought of protecting his chin. He had listened too long to the stories of the Gunner's hands having become mere bags of mush, because of the constant battering they had engaged in.

There wasn't anything of the soft order in the punches that sent the hapless Montana cowboy into a crumpled heap, in the fourth round of their bout. McCarty had a shade the best of it up to that time. He had kept his promise to walk into Smith's punches, and in doing so, he walked the rest of the plan.

The Gunner can hit any novice. The first punch that sent McCarty down, landed him clear off the floor. Tommy lifted on his head and shoulders and then he made a fatal mistake. Instead of taking a count he hopped afoot and in his groggy condition, was a mark for the sailor. It will probably spell the end of a career that looked promising. Tommy had won four straight—two of them by knockouts—and it did seem that he had a chance, providing the stories of the condition of Smith's hands were true.

WIFE OR JOB, WHAT?

"Illini" Professor Must Choose Between Two Alternatives.

CHAMPAIGN, Ill., Jan. 4.—"Illini" society is buzzing with the story of Prof. G. E. Enfield Frazer's love for Helen Dickson James, daughter of Pres't James of the state university. When Prof. Frazer, who was comptroller of the university, asked Pres't James for the hand of his daughter, the president said he valued him as a member of the faculty and would welcome him as a son-in-law, but would not permit him to be both. Nepotism, Pres't James explained, was the bane of American politics and he would not permit a relative to hold a position under him.
