VISITING NURSE DOES MUCH GOOD WORK

To Have Loan Closet Containing Articles Needed in Sick Room—Request That Some Aid Be Given Movement.

"It should be of interest to the people of Mishawaka to know of the excellent work being done by the visiting nurse, under the auspices of the Ladies' Aid society of the Methodist Memorial church, said Mrs. N. S. Glirich Friday afternoon to The News-Times.

During the month of March, said Mrs. Glirich, 100 calls were made by the nurse, Miss Doty. The calls varied from a half hour to an hour and an hour and a half, according to the time required to make the patient comfortable. Any persons in the city who are ill and need the care of a competent trained nurse for an hour or more a day may have the services of the visiting nurse in their homes.

Such services are especially desirable in maternity cases, surgical cases and chronic cases where a nurse may not be needed all the time.

The maximum fee for such calls is 50 cents each, but in cases where this sum cannot be paid, any less amount is acceptable, and in cases of the very poor, the services are free and no call will be refused. Application may be made through the family physician or by telephoning direct to the Visiting Nurse association, Home phone 1843. Neighbors of needy families may report cases to the nurse or to any member of the local committee, Mrs. L. M. Edwards, Mrs. L. C. Osterlander, Mrs. S. H. Thornton, Mrs. M. W. Hunterberger, Mrs. A. J. Gernhart or Mrs. A. Stuller.

In homes where it is necessary, the nurse will supply blankets, sheets, pillow slips, towels, night gowns, bandages, baby garments, bed pans, hot water bottles, syringes, rubber sheets, feeding cups and other articles from the loan supply closet which will be established at St. Joseph's hospital within two weeks, and to which place they will be returned when no longer needed.

The ladies who made this work possible, said Mrs. Glirich, feel that there may be others in the community who would be willing to help, and they will be grateful for contributions to the supply closet.

Following is a list of articles yet needed for the supply closet: Cotton or wool blankets, sheets, towels, first size baby garments, old muslins (everything must be clean), jellies and canned fruits. A large cupboard with doors is also needed.

Any person wishing to contribute may telephone to Mrs. Jerry Woodward, Mrs. Horace Hutchins or Mrs. N. S. Glirich.

Brazilian Minister Wires There Was No One in Authority When Attack Was Made on House of J. D. McManus.

WASHINGTON, April 3.—The incident of the desecration of the United States flag during the attack on the house of John D. McManus at Mexico City was declared Friday by the state department to be closed.

The minister replied, giving the facts as published. The minister, however, Friday advised the department that he had found that no one "representing anybody in authority in Mexico City" had taken part in the insult and that the question was therefore not international.
