CREOLE MINSTRELS AT CENTURY IN GOOD SHOW

The New Orleans Creole Minstrels, a capable organization of entertainers, opened a four days' engagement at the Century Thursday night. The bill presented was a splendid all-round one, and reflected credit on the company and on the management of the play house. The program consisted of a potpourri of musical comedy, combining singing, dancing and other stunts peculiar to minstrelry. Frank Montgomery and Florence McClain in their number gave a good account of themselves, while "A Breeze from Broadway" was the vehicle through which the versatility of the company was most apparent. The musical numbers given by a medley of instruments including the solo, violin, clarinet, cornet and trombone, were much enjoyed. The pictures were fully up to the high standard maintained by the management of the Century.

IN HONOR OF BRIDE-ELECT.
The children of Mary Sodality pleasantly entertained at a reception, in the library rooms of the St. Joseph's school building, Thursday evening in honor of Miss Pauline Kamm, who will be married to Alois Schindler, May 12. The evening was spent socially, cards being the chief feature. The girls presented Miss Kamm with a handsome gift. A fine luncheon was served.

LAST ART DEPARTMENT MEET.
Mrs. Alma O. Ware of South Bend, leader of the Art Department of the Mishawaka Woman's club for the past year gave her last lecture at the final meeting of the department Thursday afternoon in the entertainment parlors of the church. Her subject was "American Architecture." The meeting was largely attended. This meeting closed the work of the departments of the Woman's club for this year.

The affair, which is for the benefit of the lawn contest, is being undertaken by the Woman's club, the members of which have been preparing the good things to be served for several days past. Supper will be served from 5 o'clock until every one has had the inner man well satisfied which it is expected will take all of four hours. Tickets have been on sale for some time past and have been generously bought up. FIRE IN LOUNGE.
The Central fire station department was called late Thursday morning to the residence of Frank Sharkey at 520 E. Fourth st., to quench a fire which had started in a lounge. STUDENTS ALL SET FOR BIG "M" CIRCUS FRIDAY

Circus is coming to town early this year. All arrangements are complete for the presentation of the second annual big "M" circus at the high school building Friday evening.

All of the features of the circus are to be there; the mile parade at noon, the side shows, the big show, circus balloons, pink lemonade, complete menageries and professional barkers. The Ball Band band has been secured to lead the parade through the main streets of the city. The show is to be of a vaudeville nature and will include a shadow play "The Medieval and Modern Ballad of Mary Jane;" a sketch, "The Saucy Miss Summers," by Lew Wallace, female impersonator, and his company; the "Foolish Three" and a comedy reel.

If the efforts being made by the students are any criterion, the production will certainly surpass anything ever before attempted by the high school. The following will be the line of march for the parade: East on Second to Mill; north on Mill to Water; east on Water to Main; north on Main to Battell school; south on Main to Second; east on Second to Cedar; south on Cedar to Third; west on Third to Main; north on Main to Second; west on Second to Baker; south on Baker to Third; east on Third to West; disband at high school.
