## PLAN GOOD WILL WEEK PUBLICITY

### Churches to Devote Sunday, Nov. 14, to Charity Movement.

Publicity plans were discussed at a meeting of the publicity committee of the Chamber of Commerce at 5 o'clock last night. Rabbi Abraham Cronbach, chairman of the committee, presided. One of the principal topics of the discussion was the feasibility of issuing bulletins similar to those sent out by the South Bend Country club. This question was held open but it was reported by Father John F. DeGroot that the Catholic churches of the city will make announcements of Good Will week and that they will assist in the circulation of literature printed in foreign languages. It was also announced that Nov. 14 will be observed as Good Will Sunday in all the churches and that sermons and references will be upon the movement.

F. L. Sims, head of the school committee, stated that he had the written endorsement of the school board for the movement and the teachers have been instructed to make the pupils familiar with the project and to cooperate in every way. Mr. Sims also stated that \$100, a sum raised a year ago by the school children to be used for charity, will be utilized by the publicity committee in its work.

**To Put Up Street Banners.**  
It was decided to place four huge street banners. One of these will be placed near Michigan st. and Washington av., and another near Jefferson Blvd., on Michigan st. Two other banners one bearing an inscription in Polish, and another in Hungarian, will be placed on the west side.

It was announced just preceding the close of the meeting that another meeting will be held next Tuesday afternoon at 5 o'clock.

## POLICE IN SPEED RECORD

### Recover Stolen Auto 16 Minutes After Report Is Made.

A new speed record for the recovery of stolen property was set by the police department Wednesday night, when an automobile taken from in front of the First M. E. church on N. Main st., was recovered just 16 minutes after the report had been made to the department.

The car, which is a Ford, belonged to Atty. Dan Pyle. Mr. Pyle left it standing in front of the church about 8 o'clock. At 9:40 he discovered that it was gone, and reported it to Capt. Shock at the police station. Sixteen minutes later the machine was found in a yard at the corner of Bissell and Arthur sts. It had been run across the sidewalk and half way up a steep bank.

According to the readings of the speedometer, the car had been driven about 24 miles in the hour and a half that it was in the hands of the joyriders. A careful search of the neighborhood in which the machine was found, conducted by Officers Wendowski, Shirk and Miller, failed to disclose any trace of the thieves.

## WANTS DEED SET ASIDE

### Property Valued Between \$25,000 and \$30,000 Involved in Suit.

Property valued between \$25,000 and \$30,000 is involved in a suit for quiet title filed in the superior court Wednesday afternoon. The plaintiff is Nellie MacNicholl and the defendants are Elizabeth Murdock, Rawson Murdock and Amelia Gosline.

The complaint states that the plaintiff and Rawson Murdock are the children of Charles H. Murdock and the widow is Mrs. Elizabeth Murdock, one of the defendants. According to the complaint, Murdock made a deed to Amelia Gosline of considerable property located in the city, she acting as trustee in the transaction. The plaintiff further charges that this deed was granted while Murdock was seriously ill, suffering from a stroke of apoplexy, and was of unsound mind. Amelia Gosline in turn deeded the real estate to the other defendants.

The plaintiff prays therefore that the deed be set aside and that a third interest in the property be given her. Slick and Slick represent Mrs. MacNicholl.

## LINCOLN CLUB PLANS FOR FEAST SATURDAY

### Committees Report All Ready for G. O. P. Barbecue at Springbrook Park.

Members of the Lincoln club met at the republican headquarters in the Toepp building last night and discussed plans for the love feast to be held at Springbrook park next Saturday. Reports from the committee of 16 which was appointed recently to conduct the affair were heard and with the exception of a few details all is set for the "barbecue" which will be served by O. A. Clark and featured by addresses of prominent state republicans and candidates for office.

It was announced that 16 state candidates will be present at the rally in addition to James E. Watson and a number of other G. O. P. celebrities. Announcement was made at the meeting last night that large delegations from LaPorte county, Elkhart county and from Gary in addition to a number of republicans from Michigan will be present at the food and talkfest.

The principal speaker Saturday will be Senator Warren G. Harding of Marion, Ohio, while the Hon. E. L. Hamilton of Michigan is also on the program. Mayor R. O. Johnson of Gary has promised a crowd of 200 with a band for the affair, according to the republicans.

The purpose of the rally is to arouse a new spirit among the republicans of northern Indiana and the menu is being prepared by Mr. Clark in the hopes of its being a means of reaching the hearts of the languid ones. There was little said at the meeting last night regarding Andrew Jackson Hickey's offer of a steer and "equivalent" proffered at a recent meeting by Charles Arthur Carlisle, who is making a campaign for the gubernatorial nomination.

## REV. GARDINER OPENS NEW SERMON SERIES

### Begins Discussion of the "Key Text in the Book of Revelation."

Dr. James L. Gardiner, pastor of the St. Paul's Memorial Methodist Episcopal church, gave the first of a series of Wednesday evening addresses at the church last night. The general subject is "Studies of the Key Text in the Book of Revelation." In his address last night Dr. Gardiner opened with a sketch of the author of the Book of Revelations and the circumstances under which the book was written.

"John in his messages to the seven churches revealed the dealings of God with humanity in the history of the world," declared the speaker. "He described the things he saw and the things which are and the things which come to pass.

"There are two great texts in the first chapter. The first is found in verse five, 'Unto Him that loveth us and washed us from our sins in His own blood.' In this passage it is set forth that the love of God is a love that never ceases and is without limit. It is love that frees us from our sins through the blood of Christ.

"The second great text is found in verse seven, 'Behold He cometh with the clouds and every eye shall see Him.' This passage clearly sets forth the second coming of Christ."

Dr. Gardiner outlined his topic on a blackboard which helped the audience in following the address.

The second of the series of addresses will be given next Wednesday night, and it will be upon the second half of the first chapter.

## GIVE UP TRAIN BANDITS

### B. & O. Robbers' Trail Too Carefully Covered Up to Follow.

WASHINGTON, Oct. 14.—Government officials Wednesday expressed the belief that the bandits who robbed a Baltimore and Ohio train near Central, W. Va. a few days ago, getting away with nearly \$50,000 in unsigned bank notes, will never be caught. Mustard oil and other like preparations were used to obliterate their trail. The bandits' tracks that were put on their track have lost the scent completely.

"The robbery must have been carefully planned and as carefully executed," Chief Postoffice Inspector Gregory said Wednesday. "All traces of the bandits have disappeared and it is very doubtful if they will be caught as there is absolutely no description to go on. They were all well masked."
