

BASKET-BALL BOWLING BOXING BILLIARDS

HIGH ATHLETES HAVE POOR YEAR IN ALL SPORTS

Succeed in Taking Only Track Championship of Northern Indiana—Record Lowest in Many Years.

For the first year in many a decade the local high athletes participated in a full year's activity without capturing a championship on either the diamond or gridiron, without making a good showing on the basketball court, only winning the northern Indiana championship in track. Indeed, 1915 was the poorest year in the high school's history in the line of athletics.

To review the work of the athletic teams, both interscholastic and intercollegiate, it is fitting to begin at the basketball stage of January and February of the past year. Basketball had not even seen the local lads near to a sectional tournament championship. After defeating a number of lesser lights, as usual in the early part of the season, the locals journeyed to Lafayette, and after a hard fought battle, returned with the short end of a close count.

Mishawaka Wins. Then Mishawaka, the old-time rivals of the locals, caught the high lads napping and registered the first basket ball victory against the locals, that they have captured in many a year. Previous to this the locals had trimmed Mishawaka by a narrow margin, in this city. Then Gary was taken on here and the steel city lads were overcome, but they returned home fighting to avenge the defeat, which they accomplished when the locals visited them later in the season. Elkhart walloped the locals on their court but lost a close battle here. After a half successful season, which would have been brought to a fitting close if the locals did anything of merit at the sectional tournament at Hammond, Ind., the locals lost out for the northern Indiana honors by going down to defeat at the hands of Valparaiso at the tournament.

The locals disposed of Gary again, and settled the supremacy of these two cities, but lost the final battle they engaged in, through the use of the local's second team when the coach should have left the regular quintet intact. The local high coach figured that he would be saving his best men, and that at the same time he could make a number of substitutions and still remain on top. Valparaiso sprung two star guards which they had under cover until the local game, and at the end of the first half, the locals were so far behind that the regulars who went into the battle during the second half could not overcome the lead. The tournament ended the locals season and all attention was then turned to track.

Track Team Wins. Track athletes were the luckiest of all in that they were members of the only championship team, turned out the whole year. Owing to the great help of the Notre Dame university track men, who practiced in the gym at the university daily, with the high lads, and the able assistance of Coach Rockne of Notre Dame, who timed the men whenever asked, the team was returned a winner in the northern Indiana championship meet held at Gary, Ind.

The locals disposed of Plymouth, Mishawaka and Laporte during the season, by one-sided scores, but were drowned by the Culver lads at the military school in the opening meet of the season. After taking the honors at the Gary championship meet, the locals journeyed to Goshen and there were forced to bow to the superior work of a certain Goshen individual who gathered 27 points and nosed out the locals for first place, Elkhart taking third. The local lads were without the services of two men who captured firsts in the Gary meet.

The locals disposed of Gary in baseball and in basket ball. Dowagiac, Mich., then came here and returned to the Michigan city defeated by a narrow margin in a good game. Later on Labor day the locals journeyed to Dowagiac, and were defeated in a close game, forcing the home lads to travel 12 innings before succumbing. During the season Mishawaka was handed about three defeats, they not being able to register a single one against the locals. The Mike-Maids of this city were able to defeat the high schoolers in a one-sided game.

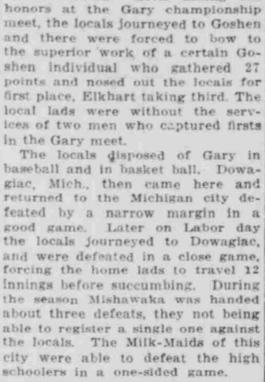

Diamond Season Poor. Summing up the whole season on the diamond the schedule was the poorest in the high's history and the team was not much better. Football came and the locals enjoyed a half successful season, trimming Wakarusa, Mishawaka, Logansport, St. Joseph, Mich., and Goshen high in the order named, tying Hammond, in a scoreless battle, and falling before Gary and Elkhart. The two latter eleven divided the northern Indiana championship honors as neither was defeated, with the steel city lads having the edge, for Gary was ranked by several experts as having the best eleven in the state. The season opened with an entirely green eleven on hand and closed with almost the same kind of an eleven. Several men gained state wide recognition and about half, northern Indiana. It was the first year in four score and twenty that the locals were not counted on as the best bet in the northern half of the state and a strong bid for state honors.

Class Records. Besides the interscholastic honors heaped on the high lads it is well to briefly review the interclass records of the boys and girls of the different classes. In the boys' athletics, the baseball honors went to 17; football, 18; basket ball, 15; track, indoor, 15; outdoor, 13; tennis, 17; swimming, 18. In the girls' division all honors went to 16 with the exception of tennis which went to 15.

JIM SAVAGE QUITS. Runs Out of Fight Scheduled With Charley Weinert. NEW YORK, Dec. 31.—Jim Savage ran out on his scheduled battle with Charley Weinert Thursday night at the Pioneer A. C. At noon Thursday Savage telephoned the club officials he would be unable to perform. A few hours previous to this he was pronounced to be in perfect shape. The club did the best it could to spread the news around, but many patrons failed to get the earful. Consequently they hustled to the arena expecting to see a good battle. James will undoubtedly have some explanations to make before our most worthy boxing commission.

JONES ON JOB. ST. LOUIS, Mo., Dec. 31.—Fleider Jones has arrived from the coast to begin rejuvenating the St. Louis Americans. CLUB REOPENED. CHICAGO, Dec. 31.—The Sportsmen club, fostered by Mayor Thompson, which was closed for debt, has paid its bills and reopened.

CALLAHAN IS LIKED BY PITTSBURGH FANS

JIMMY CALLAHAN

Jimmy Callahan, the new manager of the Pittsburgh Pirates, is one of the few born leaders in baseball and has already made a hit with the fans in the Smoky City. And all this before the start of the season. One of Callahan's first acts as manager was to appoint Honus Wagner captain of the team. Wagner is the idol of the Pittsburgh fans and many of them wanted to see him in Fred Clark's shoes, but it is said that Wagner did not care to take the responsibility incident to a manager'ship. Callahan is a good business manager as well as a handler of men and has the knack of drawing out the best playing ability of the men under him.

RACES START SATURDAY

Governor of Lower California Will Be Present. LOS ANGELES, Calif., Dec. 31.—The opening of the Tia Juana race track Saturday afternoon is an absolute fact assured by the governor of Lower California, E. Cantu. In a telegram sent Thursday night to his brother-in-law, Fred Dato, who was stopping at the Hotel Hayward in this city, Gov. Cantu said: "I will meet you at Tia Juana for races on 31."

Gov. Cantu has already sent his band to be at the opening ceremonies, which the governor will conduct in person. Fred Dato explained that an agreement had been drawn up between Gen. Carranza and Gov. Cantu. BOUT DECLARED A DRAW. Men Wrestle Almost Two Hours Without a Fall. NEW YORK, Dec. 31.—In their effort to determine the better wrestler, the Mysterious Masked Marvel and Wladek Zyzysko have again grappled to a draw. They clashed in a scheduled finish bout at catch-as-catch-can weights at the International tournament but after one hour and 56 seconds of sensational wrestling the bout was called at 1 a. m. today.

Alex Aberg, Graeco-Roman champion, and the Masked Marvel will meet in a finish match tonight. JIM CORBETT INJURED. Runs Into Lamp Post While Dodging a Heavy Truck. NEW YORK, Dec. 31.—Turning his limousine into a lamp post to avoid crashing into a heavy truck, James J. Corbett, formerly champion heavyweight pugilist, living in Bayside, L. I., was injured and his wife severely cut about the head at Long Island city last evening. Mr. Corbett was bruised about the body and Mrs. Corbett suffered a scalp wound. The Corbetts were on their way to their home in Bayside, Mr. Corbett driving.

TEAM FAILS TO APPEAR. Scheduled Basket Ball Game Has to be Called Off. A large crowd of spectators on hand to witness a battle in basket ball, between the First Christian church team and the Westminster five, at the high school gym last evening, were disappointed. The Westminster five, led by Wilmer Alford did not show up, and the gate receipts had to be returned, there not being enough men on the floor to stage an exhibition game.
