

**The Advantage of Early Shopping**

Early shopping is more satisfactory—early in the morning and early in the week. Shopping during the morning hours has many advantages. It is cooler, the store isn't as crowded and the sales people are better able to serve you. Mingle with the merry throngs of thrifty shoppers—the cooling breezes from the extra electric fans we have added will make you forget the present warm weather. The merchandise is reasonable and the values are far better than you would expect. Plan to attend this big sale—every day. Don't let anything keep you away—you can't afford it.

**CHAS. B. SAX & CO.**
