KILLS HER FATHER TO SAVE FAMILY

Werner Carlson, Former Resident of North Clinton, Shot in Bed.

News-Times Special Service: GOSHEN, Nov. 2.—Werner Carlson, former resident of Clinton township, Elkhart county, was shot and killed by his daughter, Alice Carlson, 24 years old, at their home near Kalamazoo, Mich. The girl is a prisoner in the Kalamazoo jail, awaiting trial. Her friends are sending her many flowers and mes-

A TREATMENT FOR NERVES

Woman Tells How Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y.—"I have had nervous trouble all my life until I took Lydia E. Pinkham's Vegetable Compound for nerves and for female troubles and it straightened me out in good shape. I work nearly all the time, as we live on a farm and I have four girls. I do all my sewing and other work with their help, so it shows that I stand it real well. I took the compound when by 10 year old daughter came and it helped me a lot. I keep it in the house all the time and recommend it."

Mrs. Dewitt Sincebaugh, West Danby, N. Y.

Sleeplessness, nervousness, irritability, backache, headaches, dragging sensations, all point to female derangements which may be overcome by Lydia E. Pinkham's Vegetable Compound.

The famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for 40 years proved to be a most valuable tonic and invigorator of the female organism.

ages of sympathy. She explains she killed her father in order to save the family, which is composed of the mother and four children. Carlson, a Swede, a few years ago owned and resided on what is now the Frank Dovel farm in North Clinton. The family moved from there to a Michigan location, not far from Kalamazoo.

Carlson had an unmanageable temper and was very brutal. Several times his neighbors in North Clinton were called to pacify him when he seemingly was about to kill his wife and children.

In committing her crime Miss Carlson, who had not been permitted to stay at home, but was residing there at the time, took a revolver and a flash light and entered her father's room. While he was asleep she shot him four times. He managed to get out of bed and tried to follow her down stairs. As he fell dead the girl sent five bullets into his body.

REV. VANNUYS TO REMAIN.
The Rev. Ezra A. Vannuys, pastor of the First Presbyterian church in Goshen and who had been called to Memorial Presbyterian church in Indianapolis, will remain in Goshen it was announced here.

At the request of the First Presbyterian congregation in Goshen, Rev. Vannuys has reconsidered his acceptance of the Indianapolis call.

Rev. Vannuys has for 14 years been pastor of the local church. Prior to his coming here his uncle, Rev. Dr. H. L. Vannuys, deceased, had been pastor of the church since its organization, about 56 years ago.

Rev. Vannuys' salary has been increased.

LYRIC THEATER SOLD.
Announcement was today made of the sale of the Lyric motion picture theater here by B. D. Dandorf to O. Hansen of St. Joseph, Mich., formerly of Chicago. Mr. Hansen has leased the playhouse to the Goshen Amusement Co., which controls the Jefferson theater in this city and will manage both theaters for Ezra Rhodes of South Bend, the Jefferson lessee. Under the new management the Lyric will be open only Saturdays and holidays, unless there should be demand for more frequent performances.

TO FRANCE.
Dean Smiley of Goshen, a member of the U. S. marines, who sailed for Europe, Sept. 18th, arrived there Oct. 8th, according to information received from him by his parents, Mr. and Mrs. F. M. Smiley. Some of the Goshen men now at Camp Shelby, Hattiesburg, Miss., write relatives and friends here that they expect to be transferred to a location near New York soon and that ere long they will be on their way to France.

SUBMARINE EQUIPMENT LOST IN B. & O. FIRE

BALTIMORE, Md., Nov. 2.—Submarine equipment brought to this country by the Deutschland formed part of the loss sustained by fire Tuesday at the Baltimore and Ohio terminals. The equipment was to be used in repairing merchant submarines scheduled to come to this port, but which never arrived. Collector of Customs Ryan ordered an inventory of all imports on the pier today and it was then that the German property was un-earthen. It included machine parts, boiler plates and blocks and tackles. The loss in government taxes in the fire amounted to over \$50,000.

Boys in Trenches Get First Relief

WITH THE AMERICAN ARMY IN FRANCE, Nov. 2.—The first battalions of Americans in the trenches have been relieved by others. Relief, which is considered one of the critical periods when the enemy by shelling the approaches to the trenches may inflict heavy damage, was accomplished successfully. Apparently the enemy was not aware of what was going on. With the men back in billets it is now permitted to mention for the first time that the casualties were negligible. In fact more men are suffering with "trench feet" than with wounds.

From a military standpoint the experience gained by the Americans is considered of a very high value in the training of contingents which are yet to arrive on French soil. It was a tired, dirty, wet, mud-caked body of men that returned to billets. The men had only two clear days while in the trenches. They were mud from their hats to their shoes. Before anything else they required a bath, first with gasoline and then with water.

Thursday the sun was shining brightly and the returned soldiers spent most of the time sunning themselves and their belongings. Some of the fields in this section of France are covered with blankets, parts of uniforms and equipment. Clouds of red dust arose in these places, when later the owners started to brush. Thursday night the returned battalions are clean and ready to go back again.

CITY ENGINEER RUSSEL QUILTS

Gets Better Job at Milwaukee — Resignation Causes Surprise.

News-Times Special Service: ELKHART, Ind., Nov. 2.—The resignation of City Engineer Lawrence M. Russel, to take effect Dec. 1, was made known at a special meeting of the city council Thursday. His resignation was a surprise and overshadowed in importance the appointment of election inspectors and the making of an appropriation for the election fund, for which the special meeting was called.

The communication was received by Mayor Smith Wednesday, although no action was taken at the meeting Thursday.

Mr. Russel in his letter of resignation stated that he had enjoyed the work very much and left with great regret, but that an unusually good offer had been given him by Arthur J. Sweet of Milwaukee. He also said that his new work would take up a much broader line of municipal work, as a consulting engineer.

Mr. Sweet was formerly of the Sweet Electric Lighting company, which installed Elkhart's present lighting system. Mr. Russel will remain in the city until December, so that he can finish some important work that is under way.

To fill the remainder of Mr. Russel's term it is very probable that one of the assistants will be appointed. An appropriation of 1,000 was made for the election fund.

Halt Short Drive in Stock Market

NEW YORK, Nov. 2.—Measures to "prevent vicious" short selling in the stock market, attributed in some quarters to German interests as part of an organized propaganda to create pessimism, were taken Thursday by the board of governors of the stock exchange.

The action comes as the culmination of a protracted decline in market quotations recently of extreme violence for which short selling, whether actually from German sources or from unscrupulous traders taking advantage of conditions has been held in a large measure responsible.
