HOME GUARDS HEAR SERMON

Attend Presbyterian Church in a Body—Dr. Burnett Speaks.

The three local companies of home guards attended the Presbyterian church Sunday evening and listened to an excellent sermon by the pastor, Rev. Dr. J. A. Burnett, who took for his text the words: "As his part is that goeth down to the battle, so shall his part be that cometh by the staff; they shall part alike."

In the course of his remarks Dr. Burnett said: "It was a time when immediate action was demanded; the families of the soldiers had been taken captive by the enemy, and if these were to be restored there was no time to spare, but they must pursue. They take the 600 men with him and starts after the foe. Going a little distance all the unnecessary baggage is laid aside and 200 men, too faint to pursue, are left to guard it. These were not cowardly soldiers, but men who were not afraid to die. These were not cowardly soldiers, but men who were not afraid to die. These were not cowardly soldiers, but men who were not afraid to die."

"The campaign is successful and the victorious army brings back the captives and also much spoil. The question arises as to the division of the booty. Some are opposed to sharing in the spoils, but David says: 'These men have done honorable service; they have been faithful in their places, and they shall share equally with the others.' "This is the spirit of all true service; rewards are based upon fidelity to duty in the places which God allots us.

"These men were of willing spirit but were kept back from the sterner service of war by circumstances which they could not control.

"Though out of action they were deeply interested in the issues of the campaign. Not every man is able to meet the stern requirements of the battle field, but every loyal heart thrills with the achievements and successes of those who stand in the high places and do valiant deeds. We follow with intense interest each movement of our men; their victories are ours, their hardships and trials are a part of the burden we bear. We join in the anthems of victory with the same enthusiasm as those who win them.

"Fidelity in the camp means confidence on the battle field. Here were 200 men following the 400 with their prayers and preparing for their return. This conviction was an inspiration to those who fought. Arthur Guy Emery in a recent address declared that victory in war was 40 per cent in the fighting and 60 per cent in the loyalty and enthusiasm and help of those who were at home. One of the tenderest songs that has come out of this great war is, 'Keep the Home Fires Burning.' "There is also the recognition of a divine hand moving in the affairs of the strife, and this banishes selfishness from the heart. David said, 'Ye shall not do so with that which Jehovah hath given us, who hath preserved and delivered us.' "Rewards are not for the great alone but for those also who serve in less conspicuous places. It is a great thing to be privileged to do even garrison duty, and the man who does his work as he can will have a part in the final triumph."

Mishawaka Women Surgical Dressing Teachers

Fifteen women are now qualified to instruct in the making of surgical dressings for the Red Cross in Mishawaka. For the past three weeks this class has been studying under the direction of Mrs. George Mayr of South Bend. Forty hours, the officially stipulated time, have been devoted to the eight lessons and will be supplemented by 15 more hours work after which the women will be placed in charge of classes. One supervisor will have the general oversight of the work.

Rooms in the city hall will be the shape for use one week from Monday. They will be hygienically equipped and in every way arranged to facilitate the progress of the work. Two instructors will be at the headquarters on Wednesday, Thursday and Friday of every week to accommodate the volunteers. As soon as the size of the classes justifies it, the rooms will be kept open the entire week. There is now a waiting list of women eager to enroll, and it is expected that there will be many more when the classes are actively opened.

Cleanliness Essential.

It is essential that every precaution be taken for keeping the bandages and all other supplies to be used in the hospitals, absolutely sterile. To aid in this, the women are requested to prepare themselves for the classes with large white aprons, which will completely cover the clothing and a head dress of white, all of which must be kept scrupulously clean.

One of the paramount features of the work is the necessity for steady effort. As the war progresses it will be impossible to oversupply

the demand for surgical dressings. It devolves upon the otherwise idle women of the country to devote their entire available time to the preparation for the emergency which is sure to arise when our boys are sent into the front lines. The government has arranged for the shipping of supplies on every boat leaving for foreign ports. In this way the contingency of an attack at sea is guarded against, and there will continue an almost uninterrupted shipment to the hospital bases in Europe.

Fifteen Women to Teach.

The following women are now prepared to teach: Mrs. E. A. Doan, Mrs. C. A. Ostrom, Mrs. Frank Kinnean, Mrs. W. R. Pasco, Mrs. M. V. Zeiger, Mrs. W. M. Probasco, Mrs. L. C. Rogers, Mrs. Schuyler Rose, Mrs. W. W. Dodge, Mrs. William Niles, Mrs. L. C. McCollum, Miss Rose Greene, Miss Georgia Eggleston, Miss Marie Boles, Miss Geraldine O'Neill.

The work of the Red Cross auxiliary and the various organizations assisting that body, is progressing wonderfully. It is seldom that so splendid a response is accorded any enterprise. There are now 14 societies in the city turning their energies almost entirely to the labors of the chapter and there are, as an average, 20 women at work at the headquarters every day that the rooms are open to the public. Enormous quantities of supplies have been shipped, and are in no way decreased. All of these organizations, with the exception of two, are furnished with supplies by the local chapter.

Second Week in Month Kept Open.

Many benefit entertainments have been given thus far, and it is anticipated that the winter will bring about a great many more. To avoid any conflict in these affairs and the regular church festivities, it has been deemed advisable to hold open for the Red Cross alone, the second week of every month. It is urgently asked that no social or benefit entertainment of any sort that has not for its end the service of the Red Cross be planned during this time. The other three weeks of the month may of course be used as desired.

Shipments are now made to headquarters every two or three weeks, or at any time that the boxes are filled. The last shipment contained 50 sweaters, 90 pairs of socks, 12 scarves, 60 pairs of wristlets, 10 dozen pairs pajamas, three dozen hospital bed sheets, 25 shoulder wraps, 125 handkerchiefs and 40 wash cloths. Besides these garments there were 129 knitted caps, scarves and mitts for the Belgian refugees. The next shipment will go out in December.

Miss Carol Eberhart reports that the children of the city schools are falling in enthusiastically with the benefit work for the Belgian and Polish children. It is almost impossible to keep the little ones supplied with yarn for knitting. They are eager to do their "bit" in the great cause and forego the pleasures to which they have been accustomed to devoting their time for the satisfaction of feeling that they are helping the destitute little children in the war devastated lands across the water.

JAMES FALLON IS DEAD IN BROOKLYN

Well Known Citizen Succumbs After Long Illness—Leaves His Family.

One of Mishawaka's best known business men, James Michael Fallon, 123 S. Main st., died Saturday night at 11:15 o'clock at the German hospital in Brooklyn, N. Y., after an illness of two years with Bright's disease. In September his condition became grave and he went to the sanitarium in Battle Creek hoping to find relief. Not being benefited he came home and on Nov. 22 left with his brother, Stephen Fallon, for the home of his parents in Setauket, L. I. He was removed within a short time to the hospital at Brooklyn and died soon after.

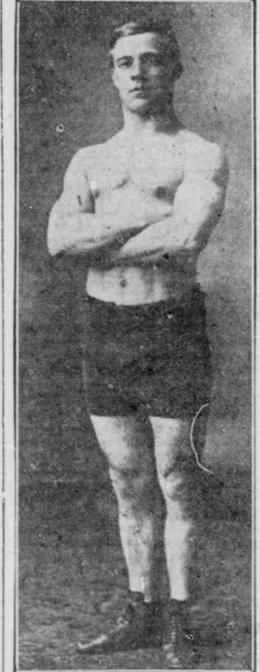

On Saturday Mrs. Fallon was notified by telegraph that her husband was much better, but near midnight a long distance call informed her of his death. She left Sunday morning with her two children, Bertha and Frederick for Brooklyn. While it is not known whether he will be brought here for burial, it is very likely that burial will take place in the east.

Mr. Fallon was born in Trenton, N. J., Aug. 8, 1871. He came to Mishawaka in 1897 and entered the plant of the Mishawaka Women Manufacturing Co. He has been for the past two years engaged in the tire vulcanizing business at Main and Third sts. Jan. 5, 1895 at St. James, L. I. he was united in marriage to Miss Frederica Brewster. Of their five children but two survive. He leaves also his parents, Mr. and Mrs. James Fallon, sr., Setauket, L. I., five brothers and one sister, Harry, Stephen, William, Thomas, Martin and Anna Fallon, all of whom live in the east.

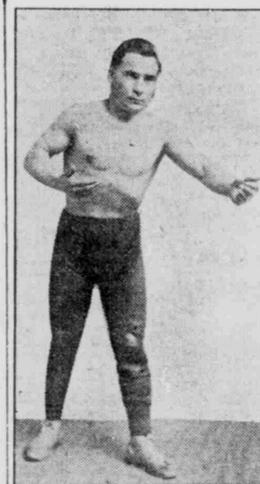

FINE PROGRAM AT ST. PAUL'S.

An exceptionally fine musical program featured the services at St. Paul's Episcopal church last evening. There was a large congregation. The vested choir was assisted by local talent. The program follows: Organ prelude, processional hymn, "The Son of God Goes Forth to War," anthem, "Praise Ye the Water," Magnificat (Read); Nunc Dimittis (Read); solo, W. W. Duddins; anthem, "How Lovely Are the Messengers," (Mendelssohn); trio, "How Sweet in Thy Grace" (Wiegand); Miss Burr, Mrs. Wellisauer and Mr. Burr; anthem, "Sing to the Lord of the Harvest," (Barnby); solo, "These are They," from Gaul's "Holy City," Miss Burr; offertory anthem, "The Radiant Morn'g," Woodward; recessional hymn, "O Mother Dear Jerusalem."

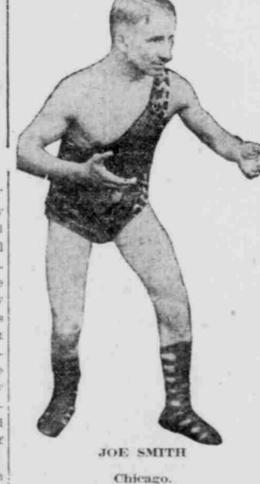

Boxers to Appear Here for Hogans

BILLY SCHOBEL Indianapolis.

SAM TUNDAS Mishawaka.

JOE SMITH Chicago.

All arrangements for the Hogans' big benefit show at the Century theater tonight have been completed and it is anticipated that a full house will witness the performance. The cause itself should enlist the sympathies of the public, to say nothing of the program which has been prepared. But for the fact that the money will go for the purpose of supplying the boys at the front with Christmas cheer, the city authorities would not have permitted boxing. A good deal is expected in the way of sport, since most of those on the bill are professionals. Tullison and Lew Pop of South Bend, are both very well known as artists with the mitt. The latter is featherweight champion of northern Indiana. George Pop, Eddie Blankert, Chan Moore and Clarence Willard are familiar locally and throughout the middle west. Hiney and Pete DeShone, Eikhart, who weigh but 75 pounds, will complete the boxing bill. For the wrestling, matches have been arranged between Tundas of Mishawaka, Joe Smith, Chicago, Adrien (Kid) Ross and Billy Schober, Indianapolis.

AGED WOMAN SUCCUMBS AFTER WEEK'S ILLNESS

Mrs. Elizabeth Jansen, 214 S. Center st., died at 10 o'clock Sunday morning after a week's illness with bronchitis. Her husband, Peter Jansen, died 21 years ago. She is survived by two daughters, Miss Mary Jansen and Mrs. George Raab, and two sons, Gerhard and Peter Jansen, all of this city. The aged woman was born in Germany on the eighth of September, 36 years ago. Fifty-two years ago she came to this country and settled at once in Mishawaka. Funeral services will be held Wednesday morning from St. Joseph's church, Rev. Fr. Moench officiating. The remains may be viewed Tuesday afternoon and evening at the home. Mrs. Jansen was a member of the Rosary sodality.

PAGEANT AT FIRST CHRISTIAN CHURCH.

An unusually attractive and interesting pageant was given Sunday evening at the First Christian church in place of the ordinary evening service. The Woman's Missionary society had charge, more than 20 of the women taking part. They appeared in the costumes of the various countries and illustrated the modes of life in foreign lands. The program was an excellent one throughout.

COMING TO TEMPLE.

Oscar J. Lambiotte, manager of the Temple theater, Monday morning telephoned The News-Times from Chicago that he had been able to secure "Womanhood" to be shown at the Temple theater tomorrow. Mr. Lambiotte had to make a special trip to Chicago in order to bring the picture here for his patrons. This is said to be one of the greatest features of the year.

AT THE LINCOLN TODAY.

Edna Goodrich, famed on two continents for her beauty and ability as an actress, will appear at the Lincoln theater tonight in "Reputation." The story upon which the picture is based centers about a small town affair in which Miss Goodrich in the role of Constance Bennett, acquires a reputation. She suffers all the indignities which

small towns unfeelingly inflict upon the girls with reputation but fights her way out.

GAS COMPANY ASKS AN INCREASE IN RATES

Notice of petition by the Northern Indiana Gas Company for increased rates in the county was submitted by the Public Service Commission and read at the regular meeting of the board of public works Monday morning. Owing to the increased cost of production, the company asks for an increased rate for consumption over and including 50,000 cubic feet. This will effect only the larger users, of whom there are but 26 in the county, and will in no way apply to the general consumer. The matter will be taken over for consideration by the city.

Resolution adopting the final estimate on the special benefit known as the State street walk and curb was passed. Hearing was granted on the same improvement. No remonstrators were present.

SOLDIERS' BOXES READY TO SHIP

No Less Than 318 Christmas Presents For Mishawaka Boys.

That the Mishawaka lads in the different cantonments throughout the country will be able to enjoy their first Christmas as soldiers of Uncle Sam with the full knowledge that "the folks at home" are thinking about them, gives considerable pleasure and satisfaction to the noble women who have toiled so hard during the past five weeks towards the success of their Yuletide enterprise.

The arduous task of packing and wrapping 318 boxes for shipment to these boys has been completed and they will be mailed Tuesday thus enabling them to reach their destinations in good time for the holidays. The boxes contain practically the same gifts as sent to the local boys in France some days ago through the same source.

The boxes are at the home of Mrs. Melville W. Mix which has been given over to the good work. Many citizens have visited the residence and have come away amazed at the admirable manner in which every detail of the shipment has been attended to.

As chairman of the committee of Red Cross workers under whose auspices the work was carried on Mrs. Mix in behalf of the committee, is desirous of extending thanks to all who contributed to the success of the undertaking. Citizens responded splendidly to the call, while churches and other organizations also helped materially towards its success.

The committee consisted of the following ladies: Mrs. M. W. Mix, chairman; Mrs. E. H. Ahara, Mrs. Robert Robertson, Mrs. T. W. Kenyon, Miss Geraldine O'Neill and Miss Grace Clark.

FINE PROGRAM FOR MUSIC DEPARTMENT

"Negro Music and Negro Minstrelsy" will be the subject taken up by the music department of the Woman's club at its regular meeting which will be held Tuesday evening at 7:30 o'clock sharp. Mrs. W. E. Borley, jr., will be the leader and Mrs. H. C. Holtzendorf will have charge of the current topics. A program has been arranged as follows: Medley of southern songs, Miss Mary Doolittle; guitar duet to plantation melody, Miss Marie Boles and Miss Nina (Gaul); vocal solo, "Rock-in-the-wood" by Mrs. L. Willes; piano solo, Miss Nina Gabel, solo, selected, Mrs. R. H. Jernegan; alto solo, "Mamma's Lil' Baby," Miss Anette Frazier. This song was arranged by H. T. Burleigh for and sung by Mme. Schumann Heink; vocal solo, "Po' Lil' Lamb," Mrs. C. E. Tyler. Records of various plantation songs will be given.

Following this program the chorus will have rehearsal by Prof. Owens.

SOLDIERS PRAISE HOGANS.

The following letter has been received by The News-Times from Mishawaka boys stationed at Corpus Christi, Tex., members of the fifth engineers: Mishawaka Editor, News-Times:

We, Mishawaka boys in the service at this point, wish to take this means of expressing our appreciation for the "smokes and makings" so kindly furnished us by "The Hogans." We know we hail from a good town and take pride in saying so whenever the occasion requires it. To have our little home town over

and above contributions to the Red Cross, Y. M. C. A., K. of C. and other enterprises looking to our welfare and comfort, makes us doubly proud of you all. Thanks, Mishawaka.

"We are smoking tonight with 'The Hogans'—God bless 'em." Carl J. Lams, Albert Huenerkopf, F. L. McNabb. Distribution committee.
