

### EMPTY ARMS

Greatest of all Heroes are the Mothers of Men. And theirs is the greatest Reward. For there is no Joy Known to Human Beings so Rich and Deep as the Joy of Motherhood.

Of all Fools upon the Earth None is so great a Fool as the Wife who Will Not be a Mother. For she commits the Unpardonable Sin—the Sin against Herself—Robbing Herself of Nature's Supreme Satisfaction.

If because of Vanity, Fear or Poverty, she Refuses Motherhood, she has Sold her Birthright for a Mess of Pottage.

Those who Turn from Nature usually land in Per- version. The Instincts if Denied become Diseased. Women who Refuse Children fondle Dogs.

That Maternal Love which was intended to Nourish an Immortal Soul is poured out upon a Brute!

The Stupidity of Refusing God's Greatest Gift—the Child! For Statistics prove that Women who bear Children have Better Health, are Happier and Live Longer than the Barren.

Nature Intended Woman for Motherhood; if She Avoids this she runs into Greater Dangers.

Marriage at best is a Tempestuous Sea. There is Many a Dangerous Shoal.

Motherhood is the Beacon Light that has Saved the Happiness of Thousands.

Children are the Best Guaranty of a Successful Mar-riage.

When God wants to carry His point, He plants His Arguments in the Instincts.

It is the Normal Instinct of every Right Minded Woman to want Children.

Deny this Supreme Craving, and the Starved Nature warps into Evil or Sorrow.

No Joy this side of Heaven is comparable to the Mother's Joy to Feel the Baby Hands upon her Cheek, the Baby Lips at her Breast.

Flesh of her Flesh, Soul of her Soul, Life of her Own Life, her Child is God's own Angel to Bring her the High- est Pleasure in all His Treasury of Pleasures.
