

**SCHEININGER NOW  
AT OLIVER HOTEL**

**"Joe Grand Leader" Brought  
From Fort Wayne—See  
Permanent Recovery.**

Joseph Scheininger, manager of the Grand Leader saloon on S. Michigan, returned to this city after several weeks in the St. Joseph hospital at Fort Wayne. "Joe Grand Leader" as he is known to his friends, literally baffled the doctors from the moment that he fell down an elevator shaft in a branch store at Fort Wayne, fracturing his skull. He was known as the man that couldn't get well—now he's even doing a little walking.

**Boosters for  
SOUTH BEND**

**JOHN CHISS ELLSWORTH**

General manager of The Ellsworth store, director of First National bank and American Trust Co., has wide financial interests in South Bend—a real progressive citizen.

**BAXTER TO EVADE  
HEARING FRIDAY**

**Ordered to See Kline Today,  
But Will Ignore One-Day  
Notice, Says.**

No action will be taken Friday by the board of safety Friday in the case of Officer Emmet Baxter, who was scheduled to face charges of conduct unbecoming a police officer following his arrest of Ernest Beckman July 2. This was learned Wednesday night when it was discovered that, although a petition with 23 signatures attached was filed with Chief of Police Kline and the board of public safety Monday, Officer Baxter had received no formal notice of the charges until he was going to stand trial on Friday.

**Woman is Found  
Guilty of Taking  
Bottle of Olives**

**Proprietor Objects to Mrs.  
Pointer's Self Service at  
"Self Service" Store.**

A bottle of olives furnished the cause for one of the longest drawn out sessions of the city court in some time on Wednesday morning when Mrs. Lydia Pointer, 802 S. Main st., was declared guilty of a charge of petty larceny and fined \$1 and costs by Judge Omacht.

**SEEKS WRIT TO  
SAVE HIS MINT**

Dispute over the harvesting of peppermint on lands rented by Alfred Goedertler from Alphonse Rodts located in Union township, has led to the former seeking an injunction against the latter to prevent Rodts from molesting his tenant in his efforts to harvest his crop and distill the mint.

**SURVEY BACKS ICE  
SHORTAGE WARNING**

**Chamber of Commerce Urges  
Conservation Following  
News-Times Expose.**

Supporting the facts contained in a recent report in The News-Times, the Chamber of Commerce, following an independent survey, Wednesday issued a bulletin outlining the ice shortage situation in South Bend and the need for conservation of the supply.

**MANY ASK VENUE  
CHANGES IN COURT**

**Omacht is Saved Numerous  
Trials Wednesday by Choice  
of Other Judges.**

A heavy docket confronted Judge Omacht Wednesday morning on the city court and many "venue" changes were requested by attorneys.

**GIRL TAKEN FROM  
CAR UNCONSCIOUS**

**Remains in Serious Condition  
at Hospital—Case Puz-  
zles Authorities.**

Mrs. Dorothy Smith, who lives in the 100 block of S. Michigan st., but who is registered at the Epworth hospital as a resident of Chicago, was taken from the St. Joseph interurban in an unconscious condition when the car reached South Bend at seven o'clock Wednesday night.

**RELIEF FROM HEAT  
WAVE NOT IN SIGHT**

**Seven States of Middle West in  
Grip of Torrid Spell—  
Crops Threatened.**

Several states sweated Wednesday in the grip of a heat wave which threatened serious damage to crops. Temperatures ranging from 92 to 110 were reported in Illinois, Wisconsin, Missouri, Kansas, Minnesota, Iowa and Nebraska. Indiana did not escape the burning rays of a hot sun, and much sickness was reported as a result of the torrid spell. Rain was badly needed in all parts of the Mid-West.

**TIGHT WIRE ARTIST  
THRILLS BIG CROWD**

**Leroy to Repeat Daring Feat  
Tonight and Friday From  
Oliver Hotel.**

Edward Leroy proved to the people of South Bend last night that he is king of the tight wire artists when he performed upon a wire stretched from the roof of the Oliver hotel to the roof of the Oliver Annex building across the street.

**NILES MAN INJURED  
WHEN CARS COLLIDE**

**Utah Smith Confined to Local  
Hospital After Accident  
on Niles Road.**

Utah Smith, Niles, Mich., was seriously injured late Wednesday afternoon when he drove his automobile into another car driven by Richard Brogsse, 906 Portage av. The accident occurred on Niles road, near the Leeper hill. He was taken to the Epworth hospital in the police ambulance.

**ELKS 'RING BELL'  
IN ANNUAL STUNT**

**Picnic at Four-Mile Bridge  
Carried out in "True  
Elk Fashion."**

More than 250 members of the Elks lodge paraded on Main st., about 9 o'clock yesterday morning and then stampeded to the Four Mile bridge where the club put over its true Elk fashion the ring bell stunt before the war.

**DEATHS**

**JULIA GROCHOWSKI.**

Julia Grochowski, six months old, died at her home, 2325 Kenwood av., Wednesday morning, July 13, at 12:35 o'clock, following a week's illness. She was born in South Bend, Feb. 1, 1921, and had lived here in a transient home.

**STOCKS IRREGULAR  
AS MARKET CLOSES**

**High Grade Rails and Industri-  
als Quoted Little in Apa-  
thetic Stages.**

NEW YORK, July 13.—Most of the stocks closed irregularly Wednesday. The remainder of the list rallied variably, but gains and losses were irregularly mixed at the close.

**BANDITS DROP LOOT  
IN HASTY RETREAT**

**Robbers Abandon Stolen Appa-  
rel—Motorcycle Officers  
Fail in Pursuit.**

An exciting early morning chase Wednesday in which a number of unidentified men in touring motorcycles in the west part of the city lasted for two hours and ended with the escape of the pursued.

**ATTENTION WOMEN**

**The Choral Beauty Shop is ready  
for your patronage at 239 W. Wash-  
ington ave. Phone Lincoln 2713.**

**OFFICER THROWN  
FROM HIS MACHINE**

**Capture Speeding Party—  
Charles Bingham Appoint-  
ed Special Judge.**

Motorcycle Officer Harry Reamer sustained injuries to his back and leg as the result of being thrown off his motorcycle down the river embankment along Edgewater rd. Tuesday night at 11:30 o'clock when he was attempting to arrest Harry Fixler of South Bend who with two young ladies and another man were joy-riding at an excessive rate of speed.

**CITY BRIEFS**

**Ivy Spates, colored, was formally  
sentenced Wednesday morning to  
spend from 5 to 14 years at an In-  
diana reformatory by Judge Fred C.  
Klein in superior court No. 2. Spates  
was found guilty of burglary by a  
jury last week.**

**BOARD APPROVES  
PAVING PETITION**

**Over-Ride Remonstrance Filed  
by Road in Fight Against  
Improvement.**

Despite the fact the Michigan Central railway officials filed a written remonstrance with the board of public works against the paving of Emmerich st. from Crescent av. to Corby st., the board overruled the remonstrance, confirmed the resolution on the improvement and orders bids for the work received.

**DEATHS**

**JULIA GROCHOWSKI.**

Julia Grochowski, six months old, died at her home, 2325 Kenwood av., Wednesday morning, July 13, at 12:35 o'clock, following a week's illness. She was born in South Bend, Feb. 1, 1921, and had lived here in a transient home.

**ASK 100 VOLUNTEERS  
TO TEACH SWIMMERS**

PORT HURON, Mich., July 13.—Mayor John V. French has asked that 100 swimmers volunteer their services to instruct beginners at the various beaches in the educational campaign in swimming in the result of a recent drowning accident in which two young people lost their lives when but a few feet from safety.

**MUST BE HOT**

CHICAGO, July 13.—It's too hot in Chicago for sea turtles. Fishermen on Lake Michigan report that no gulls are being sighted nearer the shore than 10 miles. They attribute the migration of the gulls to the heat.

**TRY NEWS-TIMES WANT ADS.**

While many of the industrial plants of the city are observing the inventory period, which is usually accompanied by a short shutdown each year, the South Bend Latheworks has continued the operation of its plant here in spite of the fact that its inventory has been conducted without any appreciable disturbance in the operation of the plant.

**INDUSTRIAL  
PLANT HERE WORKS
