SUCCESS-POWER
Don't Complain
If we grumble today, we stumble on our way and so fail to make the world any better.

Be cheery or you will be weary—and weariness makes quitters out of men.
The man who always complains about his hard lot rarely ever catches up with good luck. We can't complain and attain at the same time.

When you complain about what you have, you make it difficult to get anything better. If you always think you have a poor show in life, you simply prove that you deserve to remain right where you are.

Whenever you find yourself growling and stewing at your troubles, remember the bulldog—his face stuck that way!
