WAS UNABLE TO PUT ON SHOES

Indianapolis Woman Says It Was Agony Just to Put Her Feet to the Floor.

"I just can't find words to express the joy I feel at being rid of that awful rheumatism which made my life miserable for so long," said Mrs. Walter Cates, 146 Oriental St., Indianapolis, Ind., in relating the benefits she had received from taking Tanlac.

"My elbows were so stiff I could hardly use my arms, and my feet were so swollen that for weeks at a time I couldn't wear my shoes and it was agony for me to put my foot to the floor. Most of the time my back felt like it would break in two and my kidneys bothered me a great deal.

"I am like a different person altogether since taking Tanlac, as the rheumatism is gone and I am in the best of health. I'm all the more grateful for this blessing because I had about given up all hope of ever seeing a well day again."

Tanlac is sold in South Bend at the Central Drug Store and by all leading druggists.—Adv.
