Revelations of A Wife

Eleanor Rundle brought herself to a sweet sitting picture at Lillian's request with a swift-sureness that reminded me of a rubber ball clattered against a wall, and springing back to full volume and resiliency when she resumed her position. A moment before she could have inspired a canvas labeled "Despair." Now every line of her body spelled relief and hope, and her lustrous black eyes glistened with the fire which must have illumined them in the days of her long dead youth. "You always were a life saver, Lili," she said, and to my astonishment that was the only comment or word of thanks she gave for the life-line which Lillian had thrown her. She was exactly like a hungry cat, I told myself indignantly, which has a saucer of cream set before it, laps it voluptuously and would scratch the hand that set the food before it, if the slightest opportunity were given.

YOUR HEALTH

WHAT SPRING CLEANING MEANS TO HOME AND HEALTH. By Royal S. Copeland, M. D., Commissioner of Health, New York City. Housecleaning time will soon be here. How I dreaded it when I was a boy! Pulling ticks and beating carpets were the bane of my life. Modern boys know little of the trials of their male ancestors. You know, I am prone to take the side of the woman in most matters of controversy between the sexes, but when it comes to housecleaning I believe I am for the man, because the average woman takes a kind of savage joy in that semi-annual performance.

UNCLE WIGGILY

UNCLE WIGGILY AND THE BIG BLOW. BY HOWARD R. GARIS. UNCLE WIGGILY AND KITTY'S WASHING. Uncle Wiggily was hopping over the fields and through the woods, wondering in which direction to turn so that he might have an adventure. He was so sure of himself that he had never before been so sure of himself.

Revelations of A Wife

"Of course," he said, then bent to the switch-key without further delay. Eleanor Rundle, her facial makeup completed, fumbled in her bag again and brought out a small box. "We'll wait till—" "Have a smoke, girls?" she asked, flipping open the box of cigarettes. "Not now, thank you," Lillian returned, and I shook my head in a negative. The woman stared at Lillian impudently. "Getting religious, Lili?" she asked. "Perhaps." "You don't mind my having a puff, do you? I've simply got to—nerves all on the ragged edge for days. I don't want to go to pieces now."

UNCLE WIGGILY

"I'll go there!" said the bunny gentleman to himself. "If all the children have gone home I'll talk to the lady mouse teacher, and perhaps she can let me have a ride on an adventure. School teachers know almost everything!" But just as Uncle Wiggily reached the hollow stump, where the lady mouse heard the lessons of the animal boys and girls, all at once Mr. Longears stopped suddenly. "How careless of me!" he exclaimed. "This is Saturday! There'll be no school today! I can't see the lady mouse or any of my friends. I shall have to go adventuring all by myself!"

Revelations of A Wife

"Go as far as you like," Lillian's answer was prompt. As quick as Robert Savarin's turning out of the switch-key he had snapped on but a second before. "We'll wait till your—friend—finishes her smoke before we start," he said in quiet explanation, and I knew that he would not drive back through the village with Mrs. Rundle smoking in the car. The woman was shrewd enough to suppress the biting comment which I knew was upon her tongue, but a half-humorous, half-contemptuous cocking of her eyebrows toward the celebrated artist's shoulders told me her secret opinion of his structure. "There, I'm through," she said a few seconds later, flipping the half-smoked cigarette out of the car into one all-absorbing desire by the fire of her ambition—a fire which had well-nigh consumed her without clearing any path to the success she craved.

UNCLE WIGGILY

"There are some crumbs in the school, left from the lunches of the animal boys and girls. I'll bring these crumbs out to you, birdie." Kitty went back in the school, the lady mouse teacher having given her the key, and soon many crumbs were scattered for the hungry birds to eat. Other birds came also and fed on the crumbs. "That was a very kind deed, Kitty," said Uncle Wiggily. "And you will be rewarded."

Tomorrow's HOROSCOPE

SUNDAY AND MONDAY, MARCH 5-6. Sunday's astrological map is a very insignificant one, as it bears rule on mundane affairs. It advises caution and conservatism, especially as to money matters, which are not befriended by the financial forces. Those whose birthday it is may look forward to a quiet year, but should safeguard their managed interests. A child born on this day, although it will be clever and affectionate, perhaps may be peculiar, extravagant and irresponsible unless carefully trained in early life. Tomorrow's planetary map is full of contradictions. While there are excellent aspects for progress, growth and financial rewards, yet there are portents of disruption and defeat through turbulent and ill-governed activities as well as through other indiscretions. Sudden changes, removals or journeys may prove disastrous, and any want of circumspection while in the employment of others might terminate unfortunately. It would seem to be a good time for planning, but not for expediency's planetary map is full of contradictions.
