Gentlemen:

I received the check for \$98.57 issued to me for injuries sustained in an automobile accident recently. It certainly was a great help to me in paying my expenses while recovering and I want to express my appreciation at the prompt way the claim was settled.

While I know any number of subscribers that carry News-Times insurance yet it is alarming the number who do not realise the risks they are taking when for such a small sum they can get real protection.

I am intending to renew my policy at an early date.

Yours with appreciation,

C. S. MEAD,
