STUDEBAKER BAND CONCERT SUCCESS

South Bend Musicians a Noted Conductor and Composer Please Crowd.

The appearance of the Studebaker band and A. Liberati, nationally known conductor and composer, in concert last night at the Olive theater afforded South Bend music devotees one of the most worthy concerts heard here in some time.

The theater was crowded to capacity and the audience responded warmly in recognition of the musical treat.

It was at its best last night and conductor Kelley was compelled many times to direct his men in response to encores.

Recognition of Mr. Liberati, who now is 75 years old and who at one time was the organizer and director of one of America's greatest musical organizations, cannot be denied.

His appearance with the Studebaker band was made possible through his close friendship with Director Kelley.

In his two-act solos "Inspiration Waltz" and "Sault Rapids" he demonstrated a technique even rare with younger musicians.

His triple tongue parts together with his mystery of tone and color is remarkable. He responded with several encores.

Added feature was the appearance of Mrs. Julia Rode, soprano, in a number of vocal offerings, the best of which was "King Waltz," by Arbib.

Five of Mr. Liberati's compositions were beautifully rendered by the band. One number, "Detroit News," which was written by Mr. Liberati for the opening of the Detroit Studebaker factories, was particularly well received.

The program follows: 1. March—"Detroit News"—Liberati. 2. Waltz—"Impassioned Dreams"—Rosa. 3. Cornet Solo—"Inspiration" Waltz—Liberati. 4. Alessandro Liberati—"Speranza"—Pianiste. 5. Selection from the opera "Faust"—Gounod. Intermission. 6. Grand Fantasia "Evolution of Dixie"—Lato. Synopsis:—Depicting the gradual evolution of Dixie slowly through the creation, "Dance Aboriginal" and the "Mimus." The melody is developed until there emerges the immortal "Dixie." This in turn becomes a waltz, then ragtime, and at last grand opera.

7. Soprano Solo—"King Waltz"—Arbib.—Mrs. Julia Rode. 8. Dance Characteristic—"Little Dixie"—Frosch. 9. Cornet Solo—"Sault Rapids"—Liberati. 10. Polka—Liberati. 11. Alessandro Liberati—"Speranza" Pianiste. 12. March—"All Along the Line"—Liberati. 13. Christmas Carol. Greeting of the season. "The Star Spangled Banner."

Charge Fraud In Trade; Farm Folk Sue for Property

A "gold brick" story of alleged swindling of innocent country folks by city slickers is revealed in a suit filed by David and Bertha Harsteins against F. H. Brock and A. H. Snodgrass in the Circuit court, Friday, for the rescinding of a contract and reconveyance of a farm property.

Stating that they were equitable owners in a farm valued at \$12,000 near South Bend and referring to themselves as country folks without business experience, plaintiffs picture Snodgrass and his agents as "wire-worm men of extensive experience" and relate how they traded their farm interests for a share in a department building at Detroit, Mich.

According to the Harsteins they were told that the Detroit building was valued at \$37,000 and yielded an annual income of \$3,000 and that when shown the apartment, they were cleverly kept from talking to the tenants of the building and had no idea to inquire concerning the trade except the defendant Snodgrass and his agents.

After trading their farm interests and \$400 for the interests of Snodgrass in the Detroit apartment they found that the building was worth but \$10,000 and that the annual rental of but \$5,000 which amount was insufficient for the upkeep of the apartment.

Snodgrass is said to have refused to rescind the contract and to have later transferred the farm ownership to F. H. Brock while turning over the trade except the defendant Snodgrass and his agents.
