MELANCHOLY NEWS!!
It may be, to learn that Humbergery must die, but at the same time the grief is soothed by the consciousness that it died easy.

J. BROWNLEE & CO
have possessed themselves of that invaluable secret, that enables them to kill Humbergery wherever they show themselves, but for the present they shall only let it's specific operations extend far enough to benefit the people of Marshall and the adjoining Counties.

NEW GOODS
are advertised on every corner, for sale cheaper than they can be bought anywhere in the world, &c.

NO CREDIT,
Stores every man in the face as well as promises to buy every thing at the "highest prices." These things are Humbergery, and "Headquarters" as well as the "Regulator" are the chief of these noisy parades of show, without reality.

J. BROWNLEE & CO
are once more at home, and have a Reality to offer you and no Humbergery. They have a large assortment of Dry Goods, Groceries, Hardware, Straw Goods, Boots, Shoes, Leather, glass and queens ware, and every style of goods kept in or suitable for this market, from the highest and costliest that are ever called for, to the most common and cheap that can be used. They were bought for part cash, and part on credit, at the most favorable prices to be had in eastern markets. (It's all common for any man here to tell you he bought for cash, for no man here buys for cash alone.) We expect to make a living by our business, and we charge a profit on our goods; but we only charge in proportion to their real value and cost. We will sell you cheap, at steady uniform prices, and not make your eye water with one price at less than cost, and then "sell you to peckel" on something else. We have dealt with you or years—have kept good goods and sold at fair rates. We don't intend to break down, and therefore can't sell cheaper than we buy, and don't pretend to do business in competition with men who do, but we will give you every cent the Market will warrant for all of your produce, and sell you goods as cheap as we can and live. We'll deal honestly by you, and don't expect to get rich off you, but hope to make money by long and steady persistence, as every man should, and gain it by little.

Come and see us,
Bring your families who want to trade, send your neighbors, and bring on your produce for exchange. We are selling for

READY-MADE
of some kind, and don't expect to credit much, but will accommodate when we can. We have told you the plain truth, you know it, now come along and see if you are not satisfied to trade with your sincere friends,
J. BROWNLEE & Co,
Plymouth, Sept. 21st, 1852.

A Magazine of Pure Morals.

PETERSON'S MAGAZINE,
The best and cheapest Lady's Magazine,
A new volume of this popular periodical will commence with the January number for 1853 which was ready by the 1st of December, and is the most superb ever published.

The only Original Magazine.
This is now the only Magazine that gives original articles exclusively. Mrs. Ann S. Stevens, the editor, and all the best American writers, are regular contributors. More thrilling stories, tales and novels have appeared in this periodical in the last ten years, than in all the other put together. The tone is that of the highest moral purity, so that every family where there are daughters, should have it. Receipts, patterns, embroidery and everything useful to the sex, appear monthly.
Colored Fashions here only.
No other Magazine now gives colored steel fashion plates, as this does. Full letter press descriptions accompany each monthly plate. This is, in fact, the text book of fashion, and indispensable to all who would know how to dress elegantly, yet economically. It enables every lady to be her own dressmaker.
Magnificent Mezzotints and other engravings.

The Mezzotints and steel engravings, one of which, at least, appear in every number, are unrivalled for beauty. In illustrations, as well as reading matter, indeed, this Magazine is without an equal. In fact, this is the only illustrated Magazine in the country which has steadily increased in circulation every year, which proves how superior it is.

OR, GASTRIC JUICE.

Prepared from RENNET, or the fourth STOMACH OF THE OX, after directions of BARON LEBIG, the great Physiologist Chemist, by J. S. HOUGHTON, M. D., Philadelphia, Pa. This is a great natural remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBILITY, Curative after Nature's own method, by Nature's own Agent, the Gastric Juice. It is a teaspoonful of Pepsin infused in water, will digest or dissolve Five Pounds of Roast Beef in about two hours, out of the stomach.

PEPSIN is the chief element, or great Digestive principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive stomach of the Ox, thus forming a TRUE Digestive FLUID, precisely like the natural Gastric Juice of its Chemical powers, and furnishing a complete and perfect Substitute for it.
