HIDES COMPANION'S BODY

Boy Hides the Body Six Weeks. Lads Playing Indian. Corpse Found in Basement.

Chicago, Jan. 5—After holding his ghastly secret for six weeks and two days defying third-degree methods of the police, Leslie Carson, 12, Thursday admitted that he shot and killed his playmate, John Wisniewski, 12, while they were playing Indian. Young Carson said the shooting took place in the basement of his home; that he covered up the body and kept his secret six weeks because he was afraid he would be hanged for murder.

The boy's tragedy was learned only two days ago, when Wisniewski's body was found frozen stiff and with a wound in the chest. "I couldn't sleep at night," said Carson, who feared he would be hanged. "All the time I kept away from the basement. I was afraid to go down there. But one day my mother made me go down there and help her wash the clothes. I was afraid my mother would see John's body lying there in the corner, but she didn't. I am glad I didn't say anything to her about it."

PAYS HONOR TO DEPARTED DR. O. A. REA

SCHOOL AND BUSINESS HOUSES OF TOWN OF CULVER CLOSE TODAY FOR FUNERAL SERVICE

WAS WORTHY CITIZEN

Delegates from Masonic and K. of P. Orders Attend—Squad of Cadets from Military Academy Also

Dr. O. A. Rea died at the Wood-lawn hospital at Rochester, at 11:30 o'clock last night. Death followed an operation which had been performed on Wednesday morning, for relief from bowel trouble, with which he had been suffering. He was sixty-seven years of age.

Dr. Rea was one of the oldest and most highly respected citizens of Marshall county. Coming to Culver, just after the civil war, he has resided there for over forty-two years, and is known universally throughout this section of Indiana.

With his family, he removed from Culver to Rochester about the first of November last year, and has made the Fulton county seat his home since that time. He is survived by his wife, and three children: Dr. Robert Rea of Dunning station, Chicago Ill., Miss Lucretia, who has had her home with her parents and William Rea, who is principal of the Muncie Indiana High School.

Deceased was a veteran of the civil war, and a member of the Henry H. Speyer post, of the G. A. R., at Culver, besides being long esteemed and active worker in the Masonic order and also the Knights of Pythias. Dr. Rea was a long leading citizen of the little town of Culver, having been

a leader in every public movement and was one of the most prominent physicians of the county. The funeral will be held at Rochester on Monday afternoon at 1:00 o'clock.

The schools and all business houses of the town of Culver were closed Monday in token of respect to the late Dr. O. A. Rea, whose funeral occurred at Rochester Monday. Over fifty people left Plymouth on the 11:45 Lake Erie and Western train that morning, to be present at the last services, over the remains of one of Marshall county's best citizens. Delegations from the Culver K. of P. and Masons, together with members of the Henry Speyer post of the G. A. R., and a squad of cadets from the Culver Military Academy, formed a part of the number of citizens who attended the funeral. The squad of ten cadets were under command of Cadet Gable. Quartermaster sergeant Walter Hand, also, was in the escort. The squad was to act as military escort at the funeral, and to fire the salute at the grave. Dr. Rea was formerly surgeon at the academy. Prof. Hahn, principal of the Culver schools, represented that department at the funeral. Doctors S. C. Loring and H. P. Preston, Frank Lamson, and Mrs. William H. Love, joined the delegation from this city.
