

BOYS OF COMPANY THE IN MARCH OFF TO CAMP

About Forty Men Under Command of Captain Boberg and Lieutenant Pifer Leave for Ft. Benjamin Harrison for Ten Day Camp.

On the Lake Erie at 8:00 o'clock a. m. Monday in a special car, Company I left for Ft. Benjamin Harrison for a ten days' camp and army maneuvers.

The boys were 30 in number and were under command of Capt. Osear Boberg, with 1st. Lieut. Geo. Pifer second in command. The 2nd Lieut. Chas. Kerr is in Texas and so could not be with the boys. The train arrived at camp at 10:30 in the forenoon and the boys were at once busy putting up tents and preparing for the work of the camp life and war maneuvers.

Nearly all day Sunday the Army was the scene of activity as the boys came in, made out their papers, got their suits, and other accoutrements of war, in preparation for the annual journey, to the State Encampment.

The most important officer in the company, though not the highest, is first cook Geo. Hammel. Without him the boys would have to disband in a few hours and forage for grub. He is an expert, too, they say, and will put up the most appetizing table imaginable for an army boy. He is assisted by Austin Bowles, who has the title of second cook. His duties

the boys say, are chiefly to peel the potatoes and the like. He has not yet advanced to the position of holding the frying pan.

Besides Capt. Boberg and Lieut. Pifer the company consists of the following members: 1st. Serg. Herman Pitts, Quartermaster N. O. Bard, Duty Sergeants Earl Deacon, Owen Corl, Ollie Laudeman and Geo. Yazel; Corporals Festus Turner, Wm. Rish, Iven S. Carter and Algie Ebel; Musician Herbert Houghton, and Privates: Howard Cochran, Clarence Eyer, Ralph Hutchison, Chas. Hillman, Jesse Hossler, Ray Hostetter, Harold Kinch, Everett Leedy, Otto Long, Arthur Menser, Jesse Marsh, Wm. Rolling, Earl Starrett, John Strang, Geo. Stapes, Fred Scott, Willis Yazel, Grover Yazel, O. A. Welch, John Zeek, Walter Hill, Ralph Binard, Joseph Ellis, Arvie Williams, Dennis Harris, Arthur Fairbanks, Wm. Evans, Harry Bowles and Jesse Leiter.

On this trip the privates get \$1.50 per day; Sergeants, \$2.10; First Sergeant, \$2.50; Quartermaster, \$2.25; First Lieut., \$5.50; Second Lieut., \$4.50; Captain, \$6.60.

To see all of his regular Patients and such new Cases, as may wish to consult him, Dr. Finch enjoys a state wide reputation, among the profession and the Public of Indiana, where for more than Forty years he has devoted his entire time to the Study, Treatment and Cure of Chronic Diseases. The Doctor has had wonderful success in his chosen work, that of curing chronic sufferers, Men, Women and Children. The Patients he has restored to Health after they had given up all hope of being Cured are numbered by the Thousands. He is a kind, generous, democratic gentleman to meet, of high scholarly attainments, and dignified personality. Coupled with a Fatherly interest, in all who seek his advice. He does not take a Patient for Treatment unless he can foresee a Cure of the Case. The most commendable feature of his work, and one that appeals to the ordinary sick person, is the fact of his charges being so reasonable and moderate as to make it within the reach of even the very poor. At no time do the charges amount to more than \$7.00 a month or about \$1.50 a week. He gives his own medicines, and there are no extra Charges. It takes him never more than from four to six Months to Cure a Case under Treatment. All Cases, even those who have been given up as incurable or hopeless, have been Cured and restored to perfect health by this Brilliant Physician and the wonderful methods he employs.

If you want to meet him and have him examine you, go to see him, and talk the matter over with him. It will cost you nothing if he does not put you under treatment. If he takes your case, it will cost you a very small sum to get well.
