

Exactly as Prescribed!

WE compound every Prescription exactly as prescribed by the physician—the precise quantities, the exact brands, and in the particular manner directed. Furthermore none of our drugs are old or inferior. Every one is checked as to date of purchase, and deterioration—and we buy only the best. You can rely on the Medicine being as your doctor wants it—if it comes from our drug store. Our prices are always reasonable, too. That's worth remembering.

Grip

Brought On Sciatic Rheumatism. Nervous Prostration Followed. Dr. Miles' Nervine Gave Back Health.

"I was laid up during the winter of 04-05 with sciatic rheumatism and nervous prostration brought on by a severe attack of La-Grippe. The rheumatic pains were so severe at times that it was impossible for me to turn in bed. I was unable to sleep. I had two of our best physicians in attendance, took all the advertised remedies for troubles of this kind but could not help whatever until I took Dr. Miles' Restorative Nervine. Six bottles restored me to health; I am better than for years; in fact am entirely relieved. I can say with a clear conscience that it was Dr. Miles' Restorative Nervine that restored me to health. When the pains of sciatica and rheumatism were most severe I secured almost immediate relief by the use of Dr. Miles' Anti-Pain Pills. I have recommended Dr. Miles' Remedies to many people."—Fred Myers, Redfield, S. D.

"I was taken with pain in my heart and under the left shoulder, with such heavy oppressed feeling in my chest that I could hardly breathe. I had palpitation so bad and my heart would throb so that it would shake my whole head. I also had a weak, all-gone feeling in the region of my heart. My doctor treated me for liver and stomach trouble but I failed to receive any benefit until a friend recommended Dr. Miles' Heart Cure and Restorative Nervine. I used both and one box of the Anti-Pain Pills. I believe I am completely and permanently cured."—Mrs. J. W. Golding, Noblesville, Ind.

Oscar Judd, wife and youngest daughter and Robert Westfall started Tuesday afternoon for a pleasure trip through the west. Their first stopping place will be in Montana to visit friends. They expect to visit Yellowstone Park and many other places of interest. Their stay will be of indefinite length.—Weldon Bulletin.

A little life may be sacrificed to an hour's delay. Cholera infantum, dysentery, diarrhoea come suddenly. Only safe plan is to have Dr. Fowler's Extract of Wild Strawberry always on hand.

Mr. Hugh Buffum and brother Will S. were here from Leroy, Friday. Will comes to assist his brother in the management of the high school next fall. If he is as faithful and enthusiastic as Hugh, the high school will receive a valuable addition to its band of instructors, and a most active addition to its football team.—Lamoni Chronicle.

Hives are a terrible torment to the little folks, and to some older ones. Easily cured. Dean's Ointment never fails. Instant relief, permanent cure. At any drug store, 50 cents.

Frank Bowerman, who recently sold his interest in the firm of Bowerman & Yost to Charley Gronawalt, departed for Canada, Tuesday, via Decatur City where he will conclude the arrangements for his final departure. He goes to look up a suitable location and if successful will probably be joined later by his friend, Warren Dunbar.—Lamoni Chronicle.

What's the secret of happy, vigorous health? Simply keeping the bowels, the stomach, the liver and kidneys strong and active. Burdock Blood Bitters does it.

Mr. Joseph G. Smith has received a letter from a boy formerly well known in Lamoni, Leeman Mason. It conveys the intelligence that he is in the army and has been since 1901. His regiment has just returned from the Philippines, and is now located at Fort Porter, Buffalo, New York. Leeman is a clerk in the adjutant's office, and expects ere long to take examination for a commission as Second Lieutenant.—Lamoni Patriot.

Sound kidneys are safeguards of life. Make the kidneys healthy with Foley's Kidney cure. L. Van Werden.

The team that ran away with Mell Benedict last week and shook him up so badly, not being satisfied with that havoc, tried the same trick on the twelve year old son of Mr. Benedict, Saturday. The boy was harrowed in a field near the house. This time, however, the horses were the unfortunate parties. The boy keeping his presence of mind let go the lines and escaped being caught in the barrow and dragged to death. The team was badly gashed and otherwise injured by the barrow as it bounded along after them. One of the animals is badly cut up and will probably die.—Lamoni Chronicle.

Night Was Her Terror.
"I would cough nearly all night long," writes Mrs. Chas. Applegate of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, Colds, LaGrippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at L. Van Werden drug store.

About one or two o'clock on Saturday morning the store at High Point was burned to the ground. It is not known yet what the cause of the fire was. John Cowden and Lawrence Clark drove by the store a little after midnight and noticed a light in the cellar window, but thought nothing of it. They went home and went to bed and in about an hour were awakened and hurried back to the store but it was nearly burned. Albert Northup owned the store and quite a large stock of goods in it. We understand that the building was insured for \$700 and the stock of goods for \$3,000. This will hardly cover the loss which is a great misfortune to Mr. Northup. This store has been a landmark at High Point for many years. It is not known whether Mr. Northup will rebuild at once or not.—Garden Grove Express.

Brutally Tortured.
A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Golobick of Colusa, Calif., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by L. Van Worden Druggist.

Serious Accident.
A serious accident occurred near the Lone Star school house, Friday. Miss Stephens, the teacher, boards at the home of Mr. C. V. Anderson. She and little Polara Anderson had been riding to school both on the same horse. Friday morning a strange horse was given them; one that would become frightened when being held in. Mr. Anderson cautioned them about keeping a tight rein on the animal. While going down a steep hill the horse quickened its pace, and Miss Stephens becoming frightened tightened up the reins. The horse started to run and was soon beyond the control of its riders. Both were finally thrown to the ground, Miss Stephens receiving some slight bruises, while little Polara was seriously injured. She was thrown into the brush by the roadside so violently that she was unconscious for some hours. While she is in a critical condition, suffering with severe pains about the head it is thought she will recover.—Lamoni Chronicle.

No False Claims.
The proprietors of Foley's Honey and Tar do not advertise this as a "sure cure for consumption." They do not claim it will cure this dread complaint in advance cases, but do positively assert that it will cure in the earlier stages and never fails to give comfort and relief in the worst cases. Foley's Honey and Tar is without doubt the greatest throat and lung remedy. Refuse substitutes. L. Van Werden.
