Elimino PURIFIES THE BLOOD KIDNEY TROUBLE AND URIC ACID

False Teaching Causes Alarm. Wrong Treatment Complicates Difficulties.

It has been widely advertised that if when urine stands for twenty-four hours there is a deposit, it shows that the kidneys are not properly doing their work of filtering.

DR. E. C. SCOTT is authority for the statement that this teaching is absolutely false. He says: "It is rather an indication that they are doing their work of throwing these poisons out of the system. The fluid that is to be filtered and purified is not the urine but the blood. The fact that these poisons appear in the urine shows that they are being removed from the blood, it also shows that the blood contains an excessive amount of them. The sensible thing to do is not to clear the urine by precipitating these poisons out of the blood into the tissues, thereby causing Rheumatism, but to clear them out of the blood by assisting nature to throw them off."

ELIMINO Assists the Kidneys to Purify the Blood by Eliminating from it the Uric Acid Poisons.
This relieves the kidneys and restores and preserves the health.

Sound kidneys are safeguards of life. Make the kidneys healthy with Foley's Kidney Cure. L. P. Van Werden.

A lawyer in a court room may call a man a villain, a liar or thief and no one makes a complaint when court has adjourned. If a newspaper prints such reflections on a man's character there is a libel suit or a dead editor. A Colorado contemporary explains that people believe what an editor says; what a lawyer says cuts no figure.

A. R. Bass, of Morgantown, Ind., had to get up ten or twelve times in the night, and had a severe backache and pains in the kidneys. Was cured by Foley's Kidney Cure. L. P. Van Werden.

Lightning played quite a freak on the farm of E. D. Briggs, occupied by Fred Ford, Tuesday morning. It struck the barn worth about \$200, and consumed the structure, with a new mowing machine, double harness, feed, and a calf belonging to Mr. Ford. He had just bought the machine of Mr. Briggs and was taking unusually good care of it. Mr. Briggs had insurance of \$75 on the building. Mr. Ford's calf was also insured.—Lamoni Patriot.

Constipation, headache, backache, feel mean, no appetite, all run down. Hollister's Rocky Mountain Tea will make you well and keep you well. Money back if it fails. 35 cents. Tea or tablet form. W. C. Stempel & Co.

The holiness meetings which have been held in a tent in this city for the last three weeks, closed on Sunday night. The meetings have been growing in interest and in excitement as well, and the services on Sunday night were better attended than any meeting during the series. Rev. Scott Jones, of Decatur City, has been conducting the meetings for the last two weeks. His language is sometimes more forcible than ornate and grammatical. He is not afraid to lay bare the naked truth and says just exactly what he thinks and in his own way. He does not handle the gospel with gloves on and sometimes feels the necessity of taking off his collar and alpaca coat. His style of preaching seemed to please his hearers and a good deal of good was accomplished during the meeting. A number professed holiness and others signified their intentions of becoming members of the church.—Mt. Ayr Record.

Arthur Forbes, of Leon, was here a day or two the first of the week, looking over the town with a view of opening up an exclusive clothing store. We do not know what encouragement he received, but hope he was sufficiently well pleased with the situation to do so. A business of that kind ought to do well here.—Cainsville News.

A boon to travelers. Dr. Fowler's Extract of Wild Strawberry. Cures dysentery, diarrhoea, seasickness, nausea. Pleasant to take. Perfectly harmless.

J. J. Higgins and Ed Jumper undertook to rob a swarm of bees of their hoard of honey at the farm formerly belonging to Higgins southwest of town last Saturday, but were driven off by the infuriated bees who settled on them by thousands, stinging them unmercifully. The men ran a quarter of a mile away from the hive before they succeeded in escaping from their little tormentors. Later, however, they returned to the attack and with the aid of smoke, fire and water succeeded in defeating the bees and securing the honey. There was fully two wash-tubs full but the men paid dear for it, as both were deadily sick for several hours from the effects of the hundreds of stings they had received.—Lineville Tribune.

Night was Her Terror.

"I would cough nearly all night long" writes Mr. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottles free at L. P. Van Werden's drug store.

Another enterprise started and will be developed by the progressive citizens of Van Wert. Mr. Grimm, the instigator has already leased a shale bed of Sharp & Ledgerwood on what is known as the old Fry farm, where he intends putting in a large brick plant for burning paving brick, tiling, etc. He will organize a stock company and intends that Van Wert shall reap the benefit and hold the stock. While in Omaha last week he spent two days looking for machinery and arranging for the sale of the brick. He returned home much pleased with the prospect. A party of prospective stockholders drove over the grounds one day last week, and pronounced the condition perfect for the business. Everything will soon be in order and work started on the new enterprise. May success attend their efforts.—Van Wert Record.

Safeguard the Children.

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of the summer months in the large cities. There is not probably one case of bowel complaint in a hundred, however, that could not be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Mr. Frank Riggs, of Franklinville, N. Y., in speaking of this remedy said: "I have found it expedient to have a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. It has been a family safeguard and while especially beneficial to children, it is equally good in adult cases. I recommend it cheerfully and without reservation." For sale by L. P. Van Werden.
