Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and wornout by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Elctric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At L. P. Van Werden's drug store. Price 25c. Guaranteed.

Plans to Get Rich.

are often frustrated by sudden breakdown, due to dyspepsia or consumption. Brace up and take Dr. King's Life Pills. They take out the materials which are clogging your energies, and give you a new start. Cure headache and dizziness too. At L. P. Van Werden's drug store; guaranteed.

Indigestion, constipation, dyspepsia kidney and liver disorders, and all stomach troubles positively cured by using Hollister's Rocky Mountain Tea. 35 cents. Tea or Tablets. W. C. Stempel & Co.

Don't be alarmed at the big crops, remember the world raises about an average crop each year. You will know this if you will examine statistics. While it may look to you as though the world is overflowing with crops, you can only see a short distance. Beyond your horizon somewhere are short crops and some places are failures and famines.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says that he has often heard druggists inquire of customers who ask for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is they know that there is no danger from it and that it always cures. There is not the least danger giving it, and for coughs, and colds and croup it is unsurpassed. For sale by L. P. Van Werden, Leon, W. S. Bear, Decatur City, Iowa.

The man who attends strictly to his own business usually finds a growing business to attend to.

WORSE EVERY YEAR.

Don't neglect an aching back. It will get worse every year. Backache is really kidney ache. To cure the back you must cure the kidneys.

If you don't, other kidney ills follow. Urinary troubles, diabetes, Bright's disease.

A Leon citizen tells you how—the cure is easy.

Henry Vogt now retired, living in the southeast part of town, says: "I have had attacks of kidney complaint for twenty years and have suffered far more than I wished with my back. Physicians told me I had symptoms of Bright's disease and certainly the indications pointed that way. Too frequent action of the kidney secretions annoyed me particularly observable at night and from loss of sleep ensuing I arose in the morning tired and unrefreshed. Sometime ago I saw in a newspaper an advertisement which stated that Doan's Kidney Pills were guaranteed to help such conditions and as any help in my case would have been welcome I went to L. P. Van Werden's drug store for a box. From the positive results received I must confess that in my estimation Doan's Kidney Pills are an excellent medicine for the kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agent for the United States.
