A recent census report discloses some interesting facts in this connection. There are now in the United States more teachers than are clergymen, physicians and lawyers taken together. In eighteen northern states the proportion is greater than in any European country, and in the whole United States the proportion is greater than in any other country except England and Wales.

No Poison in Chamberlain's Cough Remedy.

From Napier New Zealand Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain's Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the best that can be had, and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. When taken in time it prevents pneumonia. This remedy is for sale by L. P. Van Werden, Leon, W. S. Bear, Decatur City, Iowa.

Woman holds her own when she cannot afford to keep a nursemaid.

Diphtheria relieved in twenty minutes. Almost miraculous. Dr. Thomas' Electric Oil. At any drug store.

The world doesn't seem dull to a man who is all on edge.

Foley's Honey and Tar for coughs and colds; reliable, tried and tested, safe and sure. L. P. Van Werden.

A woman wouldn't have a velvet carpet if a three-ply cost more.

"Little Cold" neglected—thousands of lives sacrificed every year. Dr. Wood's Norway Pine Syrup will cure it.

Few men reach the top because they find it so much easier to slide than to climb.

Years of suffering relieved in a night. Itching piles yield at once to the curative properties of Doan's Ointment. Never fails. Any druggist, 50 cents.

"It is a good thing," says a New York judge, "to let your wife be boss." "Let" is certainly good.

What's the secret of happy, vigorous health? Simply keeping the bowels, the stomach, the liver and kidneys strong and active. Burdock Blood Bitters does it.

Some bachelors fall in love and some are dragged into it by widows.

Foley's Honey and Tar always stops the cough and heals the lungs. Refuse substitutes. L. P. Van Werden.

Another sign of shiftlessness is for folks to let their screens rust out.

There is no cough medicine so popular as Foley's Honey and Tar. It contains no opiates or poisons and never fails to cure. L. P. Van Werden.

Some men's only boast is that they are rough only on the outside.

W. A. Herren of Finch, Ark., writes, "I wish to report that Foley's Kidney Cure has cured a terrible case of Kidney and bladder trouble that two doctors had given up." L. P. Van Werden.

If a man really has something to say, his grammar doesn't count.

A Disastrous Calamity.

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills.
