A Good Doctor

Interesting Story of Miraculous Cures by Prominent Iowa Practitioner—Words of Indorsement.

The statements which follow are from Iowa. They are not from some distant corner of the union. I have hundreds of testimonials from grateful patients in Iowa:

Mr. Alta Damon, of Dallas, Marion county, Iowa, paralyzed and absolutely unable to walk. After being treated by Dr. Bullard he was restored to perfect health. (Sworn affidavit four years after being cured.)

Mr. Arthur Patrick, son of S. J. Patrick, of Coon Rapids, Iowa, epileptic fits for five years, cured four years and has never had another fit. (Sworn affidavit three years after being cured.)

Mrs. E. W. Pool, of Algona, Iowa, cancer of the breast, cured four years ago without use of the knife. (Sworn affidavit four years after being cured.)

Mr. W. H. McGinnis, of Winterset, Iowa, catarrh of the bowels and peritonitis for five years, cured four years ago. (Sworn affidavit four years after being cured.)

"Dr. W. B. C. Bullard cured me of a bad case of catarrh and deafness. I also know of cures he has effected in this locality of epilepsy, tumors and catarrh of the stomach."—Mrs. Jennie Bower, Coon Rapids, Iowa.

"I have suffered intensely for three years. I had tried different medicines and doctors without relief. I began treatment with Dr. Bullard about two months ago. I am now cured and have absolute relief."—Miss Marie Wolf, Harper, Iowa.

Mrs. Lily Baas, Des Moines, Iowa, cured of bronchitis and epilepsy after being pronounced incurable by a good physician.

H. A. Detwiler, of Des Moines, Iowa, cured of cancer of the face after being treated by several physicians including a "plaster" treatment, had failed.

After investigation, the well known Chicago Journal of Health says: "Dr. Bullard has probably treated a greater number of patients than were ever before treated by any one physician. His success has been phenomenal but richly merited."

Close study, honest work and much practical experience are the essentials that contribute to true success in special practice.

The Iowa state chemist analyzed medicines used by patients of Dr. Bullard and found drugs he was unable to identify. (Sworn affidavit.)

I cure chronic diseases in a short time after all other physicians have failed and guarantee the treatment, no guess work. I know. I can cure any disease I treat or I won't take the case. Consultation at the office or by mail is free. If you cannot call write me fully regarding your case.

DR. W. B. C. BULLARD, Masonic Temple, Des Moines, Iowa.

Frank N. Hansell and R. E. Fisher returned Sunday from St. Louis, where they had been buying a new stock of goods for the new store which Mr. Fisher is opening this week at Mt. Ayr, and for Mr. Hansell's big department store in this city.

Mrs. A. L. Curry returned Saturday from a visit of several weeks with friends in Chicago and Des Moines. Her sister, Miss Clare Lunbeck, who is connected with the state board of control, looking after the children who are wards of the state, came down from Des Moines with her and visited over Sunday with her many friends in this city.

R. E. Fisher and wife left Monday for Mt. Ayr, where they will make their future home, Mr. Fisher engaging in the mercantile business in that town. We are sorry to see these estimable young people leave Leon, but wish them abundant prosperity in their new home. The good people of Mt. Ayr will find them a welcome addition to the business and social interests of that town.

TRAVELERS BECOME COSTIVE!

The change in diet and drinking water, the motion of the cars, the irregular habits of travelers, no matter whether they travel on business all the time or for pleasure occasionally, usually result in a constipated condition of the bowels or some stomach or bowel trouble.

Travelers should always have a bottle of

Dr. Caldwell's Syrup Pepsin

with them. It is a pleasant liquid laxative and a certain cure for sick headache, train sickness and all stomach trouble. Your druggist sells it in 50 Cent and One Dollar bottles.

W. P. Gaines, of Little Rock, Ark., Traveling Salesman for the Smith-Premier Typewriter Co., writes: "While traveling through western Arkansas, in February last, I had a severe attack of Acute Indigestion. There was no doctor at hand, and I was suffering terribly. Your agent handed me a bottle of Dr. Caldwell's Syrup Pepsin (which at that time was unknown to me). I took two doses and was relieved as my order book, and can find nothing equal to it for Stomach Trouble and Constipation."

CALUMET Baking Powder

The only high grade Baking Powder sold at a moderate price. Complies with the pure food laws of all states.

Trust Baking Powders sell for 45 or 50 cents per pound and may be identified by this exorbitant price. They are a menace to public health, as food prepared from them contains large quantities of Rochelle salts, a dangerous cathartic drug.
