

The Famous Velie Vehicles!

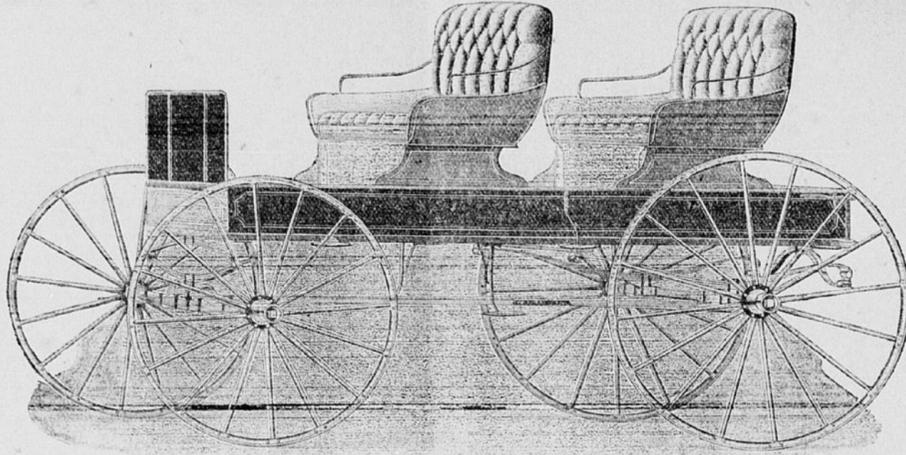

The No. 500 Velie is the best spring wagon on wheels. We let you compare it and be the judge. Our line of Velie spring wagons, surreys, and buggies is full and complete. Come in and see the best line of goods in southern Iowa, barring none.

Wagons!

Our leading wagon of course is built in Iowa, by Iowa men, who use Iowa capital and like all other Iowa productions it is the best. While others may be good

The Charter Oak

is king. We have them in low, medium and high wheel

Wagons!

We also have a car load of new Moline wagons and we bought them to sell. Come in and get our prices.

Harness!

We are selling harness right along. Why? Because we maintain the grade and sell them at the same old price.

Another Car American Steel Fence!

We have a new car load of American Steel Fence and can supply you on short notice. Come in, write or phone and we will be "Johnny on the Spot" with the fence.
