Plain Prices & Seasonable Merchandise

**Please Read** By about September 1st we expect to change our entire line of merchandise from Summer Goods to our Fall and Winter lines which are now arriving. We have enjoyed a nice business on all Summer lines and wish to thank all for their patronage, but we have some goods left in most all lines and these must be sold. You know our policy is not to carry an item over that any kind of a price will move and it requires a good strong price concession. We simply must forget the cost and worth. We are not looking for profits for the next 15 days and you will understand this and know it is true when you have read this advertisement and see the merchandise on sale. We deliver the goods—as we advertise them and guarantee you satisfaction. Simply a plain business proposition. Some merchants think it pays to carry stock over from season to season. We do not and are willing to sell it at most any price and have clean new merchandise at all seasons. You can not afford to miss this **15 Days Clean Sweep Sale**. Your saving will pay you well for your time.

**Daily Specials** On each date below we will offer the goods as advertised not on sale until date mentioned, but if not sold on that day will be left out until sold. No deviation, giving all an equal chance.
