Chicago's New Theater.

Chicago's newest and most beautiful theater, The Princess, opened June 1, with a sumptuous production called "A Stubborn Cinderella", according to an announcement by Manager Mort H. Singer, who is also manager of the well-known La Salle Theatre, the original Chicago home of musical comedy. The opening of the Princess Theatre marks the beginning of a new chapter in Chicago theatricals. It is the first downtown Chicago theatre erected under the new building code which has been copied all over the world. The structure represents the climax of the theater-builder's attainments.

Not only will the theater itself be a standard of excellence and safety, but the production will be the most lavish and ambitious ever put on the stage by a Chicago manager, and the company will include the most talented available comedy stars.

"A stubborn Cinderella" is by Will Hough, Frank Adams and Joseph Howard, authors of "Honeymoon Trail", "The Girl Question", "The Time, The Place and The Girl", and other well-known La Salle successes. It will be in three acts, and will admit of gorgeous scenic display, the scenes being laid on the campus of the University of Chicago, in the mountains of Arizona and on the Pacific Coast. The last act will show the natorium of the famous Cordona Beach Hotel, California.

Jack Barrymore, brother of Ethel Barrymore, will head the Princess Stock Company. Mr. Barrymore is without doubt one of the most popular comedians of the day, and his appearance in "The Boys of Company B" last year won him a host of Chicago friends. Miss Sallie Fisher, star of "Sargeant Bruce" and as comical and gracious a comedienne as there is in America or Europe, will head the feminine contingent of the company. Jean Salisbury, Hazel Cox, James C. Marlow, Robert Harrington, Dan Young, Allen Brooks, Fred R. Stanton, Charles Prince and a chorus of forty will appear.

The high plane of the production is indicated by the engagement by the Princess Management of George Marion, formerly chief producer for Henry W. Savage, to stage "A Stubborn Cinderella". Mr. Marion produced "The Merry Widow", "Madam Butterfly", "The College Widow", "The Prince of Pilsen" and all the other big Savage successes of the last five years. William Loraine, composer of the "Peggy From Paris" music will be permanent musical director.

The new Princess Theater is located on the east side of Clark St., just south of Jackson Blvd. It will seat 1,000 persons. It will contain no gallery, and a perfect view of the stage can be had from every seat in the house. The ventilation, heating and cleaning systems will be models of their kind, and doubtless will be copied in other theaters all over the world. The only wood used in the construction of the playhouse is that in the stage, laid over cement. There will be twenty-five exits, and two passageways will run on either side of the house from front to back. The house will be beautifully furnished in pearl gray and rose. The lobby will be handsomely laid in mosaic. The completed theater will cost \$225,000.

Kidney Troubles Attack Leon Men and Women, Old and Young.

Kidney ills seize young and old. Come quickly with little warning. Children suffer in their early years—Can't control the kidney secretions. Girls are languid, nervous, suffer pain.

Women worry, can't do daily work. Men have lame and aching backs. The cure for man, woman, or child. Is to cure the cause—the kidneys. Doan's Kidney Pills cure sick kidneys—

Cure all forms of kidney suffering. Mrs. L. A. Smiley, living on North Clinton St., Albia, Ia., says: During the last five years my son suffered from kidney trouble. His back caused him no end of pain, and he felt sore through the kidney regions. If he caught cold, the trouble was increased in severity and at such times it was hard for him to stoop or lift. A relative advised the use of Doan's Kidney Pills so he purchased a box, and before he had completed the contents the trouble had left him. This was several months ago and there has not been any return of the complaint.

Weldon Bank Cashier Resigns.

Last week the people of the community were greatly surprised to learn that Mr. Geo. Ayres, who has been for some time the general cashier of the Weldon Savings Bank, had passed in his resignation to the board of directors. The board met and with much regret decided to accept it in order that Mr. Ayres might be free to accept a much more lucrative position with a large loan company at Oklahoma City, Okla.

During his residence in Weldon Mr. Ayres has been closely identified with the financial interests of the community and been a thorough going business man in every respect holding the unlimited confidence of all who knew him. It is with deep regret that the community lose Mr. and Mrs. Ayres and the best wishes of their many friends in this part of the country will go with them to their new home.

The directors of the bank have not yet decided as to who will take Mr. Ayres' place in the bank. In the mean time the business will be conducted by C. A. McCartney, vice-president.—Weldon American.
