

**XTRAGOOD**  
CLOTHES FOR BOYS

are best without showing it in the price. They wear so much longer that the slight advance over unidentified cheaply-built clothes doesn't at all cover the saving they bring.

One XTRAGOOD suit will survive more boy-handling than two average suits.

Every pair of XTRAGOOD knee-pants is lined all through. This not only means extra endurance, but also extra fullness and grace to a degree not to be found in clothes that are not XTRAGOOD.

Backache and kidney ache are twin brothers.

You can't separate them.

And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

W. I. Wampler, living on South Main St., Leon, Iowa, says: "I suffered from kidney trouble and lamboago for years and every little I would become so lame I could hardly stoop on account of the twinges in my back and hips and was gradually becoming worse when some one told me to try Doan's Kidney Pills. I did so and soon was rid of every sign of the trouble. I am glad to say that I have not been bothered since and owe it all to the use of your wonderful remedy."

**How Many Loaves**

can you make out of a sack of flour?  
And how good is your bread?

These are the real tests that determine whether the flour you use is economical—not what you pay per sack.

The greatest money-saving economy is guaranteed to you in Zephyr Flour. You take no chances.

It must satisfy you perfectly and it must make as many loaves to the sack as any flour ever made—or you get your money back.

Tell your grocer to send you a 48-pound sack of Zephyr Flour today.

Use down to the middle of the sack as nearly as you can judge. Use it for all purposes—bread, cakes, pies, biscuits, everything you bake.

We Guarantee every sack of Zephyr Flour. It will satisfy you and it will produce as many loaves of bread per sack as any flour, or your grocer will refund your money.

**BOWERSOCK MILLS & POWER CO.**

If you are not convinced that it is the best flour you have ever baked with—if it doesn't go as far as you ever knew flour to go—send back the remaining 24 pounds. Your dealer will return the money for the whole sack to you. Could any offer be more fair? You see we want to stand responsible for the cost of your baking test.
