FINE WINDOW DISPLAYS

Mean-much to your business and much to your city—if they are well lighted. You can have them well lighted if you let us put in a few Tungsten Lamps. The current is turned on our window lighting circuit early in the evening and off at 10:30, Saturdays 11:00. You have no bother—it's all controlled from our switchboard. We want you to ask us about it.

BOOST LEON by making your place of business attractive.

LEON ELECTRIC CO.

Help us to make Leon the best lighted city in southern Iowa.

Do you hold your book or paper like either of these when you read? If you do you need some correction for your vision, one is too near, the other too far. Notice your boy or your girl when reading and see if the position of the book or paper is like either of these. If so, bring them to us and we will tell you what the trouble is and give the proper correction. The eye troubles of children should be corrected at the earliest opportunity. They never outgrow them without aid. The trouble only increases in severity and becomes more permanent and harder to correct with the advance of time. Cross corrected in children may be outgrown and glasses laid aside on reaching maturity. We guarantee our work in every particular. You must be satisfied or money refunded. Cross eyes and muscular trouble our specialty.

Respectfully yours, W. S. BEAR Optometrist DECATUR, IOWA

We're "Turning Night Time Into Day Time."

We're wiring residences and stores at the rate of two a day, putting in those splendid Tungsten Lamps in most places. We can do your job of wiring on short notice now. We have plenty of experienced help, and every job gets the personal supervision of either Mr. Smith or Mr. Johnson. If you turn us loose on your building your lighting troubles are ended.
