PAINT PAINT

We still have a few gallons of that paint that does not bear the label as required by law, and which must be sold before November 1st. This paint is exactly the same as we are selling for \$2.25 per gallon but we are going to dispose of this at a sacrifice. Come and see us about it.

Free Sample For Baby's Ills

Something can and must be done for the puny, crying baby, for the child that refuses to eat and is restless in its sleep. And since the basis of all health is the proper working of the digestive organs, look first to the condition of the stomach and bowels.

A child should have two full and free movements of the bowels a day. This emptying of the bowels is very important, as with it comes a clear head, a lightness of step, good appetite and sound sleep. But it is equally important to know what to give the child in the emergency of constipation and indigestion. Cathartics are too strong and salts and other purgatives are not only too strong, but the child refuses them because of their bad taste. Have you ever tried Dr. Caldwell's Syrup Pepsin? It is a liquid tonic that families have been using for a quarter of a century. It is mild, pleasant-tasting and promptly effective. It is good for you as well as the child, but there is nothing better to be found for children. They like its taste—you will not have to force them to take it.

First of all, if you have not yet used it, Dr. Caldwell would like to send you a sample bottle free of charge. In this way you can try it before buying. Later when convinced of its merits, you can get it of your druggist at fifty cents and one dollar a bottle, just as thousands of other families are doing. The family of Mr. D. W. Spangler of Strattonville, Pa., as well as that of Mr. A. F. Johnson of Walnut Grove, Tenn., started with it in that way and now write that it is their one family necessity next to food itself. If you are unfortunate enough to have a sickly child, one given to constipation and indigestion, you should send for a free sample of this remedy.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

Nyals' Blackberry Cathartic

Good old-fashioned blackberry was about as good a remedy for diarrhea and bowel troubles as ever was made, but it's hard to get.

That is the basis for Nyals' Blackberry Cathartic, and it contains several other antiseptics and astringents to soothe and heal the inflamed bowels. Practically a simple home remedy with a few modern improvements. You can't do better than keep a bottle in the house to cure diarrhea, looseness of the bowels, etc. 25c a bottle. Good for children. We recommend it—and we won't say a good word for any medicine that we don't know to be all right. We sell all the Nyals Family Remedies.

Hundreds of Leon Readers Find Daily Toil a Burden.

The hustle and worry of business men,

The hard working and stooping of workmen,

The woman's household cares,

Are too great a strain on the kidneys.

Backache, headache, sideache, kidney troubles, urinary troubles follow.

Read the following and learn the cure.

William Asbach, Davis City, Ia., says: "I suffered for two years from kidney trouble. There was an intense pain in my back when stooping or lifting, and in the morning I was very tired and lame. Headaches were common, and at times my eye sight became blurred. The kidney secretions were too frequent in passage and contained a sediment. Since taking Doan's Kidney Pills the pains have disappeared and my kidneys are more normal. I heartily recommend Doan's Kidney Pills to other kidney sufferers."
