

From the reproduction in oil of the scene from "The Jolly Bachelors," showing the male characters as they would appear dressed in Kirschbaum Fall and Winter models (reading from left to right) Paletot and Raglan Overcoats.

AT fifty dollars the suit or overcoat you can be tolerably sure of an "All-Wool" fabric. However when you come down to \$15 it will pay you to be careful, for there are not many genuinely "All-Wool" garments at that price.

Of this you can be sure—each Kirschbaum garment, no matter at what price it may be sold, whether \$15 or \$27.50, is genuinely "All-Wool."

For each piece of fabric that's made up into Kirschbaum Clothes is tested chemically to insure it's being absolutely "All-Wool"—is tested chemically to assure the fastness of its color—and is guaranteed to give absolutely satisfactory wear.

Ask to see the Kirschbaum Special Fall and Winter Suit. \$21.

We guarantee Kirschbaum Clothes. Should you find any defect in the cloth, any imperfection in the tailoring, return the garment and your money will be immediately refunded.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and cleans, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin, you can prolong your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several times a week until the system has settled to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Decatur, Ala. and Mr. George S. Spaulding of the National Soldiers' Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 609 Caldwell building, Monticello, Ill.
