

Rheumatism Comes From Bad Kidneys

Once Your Kidneys Work Properly, Rheumatism, Kidney Disease and Bladder Trouble Disappear. How To Cure Yourself.

It is no longer necessary to spend months and months undergoing a complicated treatment for rheumatism, kidney or bladder trouble, or spend a good many dollars in doctors' bills.

A new treatment can now be obtained which seems to act more like a marvel than a medicine. This treatment has produced such satisfactory results in a short time that it is now guaranteed from first to last.

There should be no more doubt about the rapid cure of rheumatism, no fears of the fatal termination of treacherous kidney disease or dropsy.

Rheumatism means nothing more nor less than that your kidneys do not work properly. Your blood passes through the kidneys hundreds of times a day to be filtered and purified.

The new guaranteed treatment is Dr. Derby's Kidney Pills. One day's use of them will prove their remarkable effect.

Dr. Derby's Kidney Pills are sold at all drug stores—60 pills—10 days' treatment—25 cents, or we will send them direct from the laboratory of Derby Medicine Co., Boston, Mass., prepaid if you wish.

GOOD NEWS. Every Sufferer from Catarrh, Coughs, Colds and Sore Throat Should Read It.

So many hundreds of catarrh victims who have taken the HYOMEI treatment, have written us letters thanking us for publishing our method of taking the HYOMEI vapor treatment in connection with the inhaler that we gladly publish it again.

The vapor treatment is especially recommended in stubborn cases of chronic catarrh of long standing, but remember that the inhaler should be used daily as usual.

This is the simple vapor treatment and only five minutes of your time before going to bed. Pour a teaspoonful of HYOMEI into a bowl of boiling water and breathe for several minutes the vapor that arises.

You will be surprised at the result of this treatment; it makes the head feel fine and clear; you will sleep better, and that stuffed up feeling in the head will gradually disappear.

This same method will break up the worst cold in the head or chest in one night. A bottle of HYOMEI costs 50 cents at VanWerden & Kopp's who guarantee it. If you want the complete outfit, which includes the little hard rubber pocket inhaler, the price is \$1.00.

No stomach dosing; just breathe HYOMEI and cure catarrh and all diseases of the breathing organs.
