An abundance of praise is due our mail carrier, Curtis J. Knapp, of Gar-den Grove, as he has only missed one day, last Friday, of making his entire route. With the mercury below zero from 20 to 38 degrees be-low zero, the roads badly drifted and a strong wind blowing almost every day, the mail carrier's job is not an enviable one at present. We understand that few, if any, of the carriers of the nearby towns have been serving their entire routes.

Mrs. Albert Biddison and son Charles, of Cainsville, Mo., and Mrs. L. L. Richardson, of High Point, at-tended the funeral of their father, H. D. Richardson, which was held Thursday morning at the M. E.

The weather the past week has been the most severe ever remem-bered by the oldest settlers. Thurs-day was very cold and a strong north wind blowing made it the coldest and most disagreeable day to be out ever experienced. Those who at-tended the H. D. Richardson burial at Leon suffered with frozen faces, feet and fingers, and no ladies could attend as they could not endure the cold.

Harry Sheffer and Dr. Ward, of Garden Grove were business callers here Tuesday night.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken inter-nally, acting directly upon the blood and mucous sur-faces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials are free. Sold by Druggists. Price 75c per bottle. Hall's Family Pills are the best.
