THE GREAT AND GRAND MAJESTIC RANGE

THE RANGE WITH A REPUTATION MADE IN ALL SIZES AND STYLES.

MAJESTIC NEVER-BURN COOKER, STEAMER, CULLENDER AND DRAINER—The Perforated Cooker, shown in center, has small feet which admit water at the bottom. Nothing can burn. Food can be lifted out of main vessel (shown on left), at the same time draining off all the water. The Steamer or Cullender shown on right can be used as an ordinary Cullender. It also fits on top of main vessel, and is used as a steamer.

THE MAJESTIC Extra Heavy Stamped Iron Marbleized Enamelled Pudding Pan. Made especially fine for the Majestic Set.

THE MAJESTIC Patent Never-burn Wired Driping Pan.—Size of pan 14 1/2 in. x 20 in. Made especially for the Majestic Set.

TWO MAJESTIC Patent Never-Burn Wired Driping Pans. Size of pan 9 in. x 12 in. Made especially for the Majestic Set.

OUTWEARS THREE ORDINARY RANGES.

It is the only range made entirely of malleable iron and charcoal iron. Charcoal iron won't rust like steel—malleable iron can't break, and while the first cost of a Great Majestic may be more than some other ranges, it outwears three ordinary ranges.

ECONOMICAL—SAVES HALF YOUR FUEL.

The Majestic is put together with rivets (not bolts and stove putty). The joints and seams will remain air tight forever.

The oven is lined with guaranteed pure asbestos board, covered with an iron grate—you can see it. No heat escapes or cold air gets in. Takes but half the fuel used in other ranges for perfect baking.

ALL COPPER RESERVOIR—AGAINST FIRE BOX.

The reservoir is all copper and heats like a tea kettle through a copper pocket, stamped from one piece of copper, setting against left hand lining of fire box. It boils 15 gallons of water in a very few moments and is instantly moved away from the fire.

ASK US TO SHOW YOU THE GREATEST IMPROVEMENT EVER PUT IN A RANGE.

Increasing the strength and wear of a Great Majestic more than 300 per cent at a point where other ranges are weakest—be sure to inquire about this feature.

During This Sale Each Purchaser of a Majestic Range Will Receive Free, a Set of Cooking Utensils Worth \$7.00
