Be Jealous of the Beauty of Your Hair.

In other words be careful of it. The beauty of your hair depends upon its health. If it's beautiful, it's healthy. To make it glossy, bright, silky soft—to make it fall more easily into the graceful, wavy folds of the coiffure—to make it stay where you put it—use Harmony Hair Beautifier. This dainty liquid dressing is just what it is named—a beautifier. If your hair is beautiful now, use it to make it even more so, and to preserve its loveliness. If it is not beautiful now, Harmony Hair Beautifier will improve its appearance in a way to please you, or money back. Its rose fragrance will overcome the oily smell of your hair. Easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep the hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made.—Bell & Robinson, Leon, Iowa.
