IT'S SURPRISING.

That So Many Leon People Fail to Recognize Kidney Weakness

Are you a bad back victim? Suffer twinges; headaches, dizzy spells?

Go to bed tired—get up tired? It's surprising how few suspect the kidneys.

It's surprising how few know what to do. Kidney trouble needs kidney treatment.

Doan's Kidney Pills are for the kidneys only.

Have convinced Leon people of their merit. Here's a Leon case; Leon testimony. Kidney sufferers hereabouts should read it.

Mrs. Nettie Hart, Leon, Iowa, says: "I feel justified in recommending Doan's Kidney Pills. I have taken them for backache and other symptoms of kidney complaint and have been greatly relieved. They have relieved me of a dull pain in the small of my back."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Mrs. Pete Vaughn is some better at this writing.

Strength for Old People.

Old people, to overcome the weakening debilitating effects of increasing old age, often make a very sad mistake in using so-called 'remedies' that contain alcohol and dangerous or habit-forming drugs. Often this stuff, because it livenes up and brightens them up a little just after taking a dose, leads them to imagine that it is doing them good, when it isn't. Remedies that rely for their sale on such deceit, do harm, because the false excitement of the nerves and heart leaves them worse than they were before.

Rexall Olive Oil Emulsion is a real medicine—a splendid body and strength builder, especially good for old people, because it furnishes to the system ingredients necessary to rebuild wasted tissues, strengthen the nerves, gives new energy and a younger and livelier feeling to the body. It doesn't contain a drop of alcohol nor any dangerous drug. It may not make you feel better after the first dose, nor perhaps for several days. But if you don't feel much better and stronger before you have taken a quarter as much as you have of other medicines that didn't help you we will gladly give you back your money. That's certainly a square deal.

The four Hypophosphites it contains are used by leading physicians everywhere in debility, weakness and liability to disease to tone and strengthen the nerves. Purest Olive Oil, one of the most nutritious, most easily digested foods known, being taken with the hypophosphites, gives rich tissue nourishment to the entire system.

You who are weak and rundown, and you who are apparently well now but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired out, run down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible, pleasant tasting aid to renewed strength, better spirits, glowing health. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—One of the more than 7,000 leading drug stores in the United States, Canada and Great Britain.—Bell & Robinson, Leon, Iowa.
