Give That Puny Child This Guaranteed Remedy.

If your child is under-weight, listless, ailing, liable to get sick easily, it needs a medicine to build its weight and strength. For this purpose there is nothing else we know of that we can so strongly endorse as Rexall Olive Oil Emulsion.

The remarkable success of this splendid medicine is due to the fact that it contains ingredients that tone the nerves, enrich the blood and furnish to the entire system the strength, weight and health-building substances it needs. And, it does all this without injury to the stomach.

In fact, Rexall Olive Oil Emulsion is not only pleasant to take, but even the most sensitive stomach is benefited by it and the digestion improved. On the other hand, it contains no alcohol or habit-forming drugs, which most parents object to giving their children. It does its work by taking hold of the weakness and builds the body up to its natural strength, at the same time making it strong to resist disease.

If Rexall Olive Oil Emulsion doesn't build your child up, feed the stunted, puny muscles, and make the little one lively, strong, well, and full of the animal spirits children are meant by nature to have, come back and tell us and get your money back. We don't want you to lose a cent. We think this is no more than fair, and it leaves you no cause to hesitate. For old people also—for convalescents—for all who are nervous, tired out, run down, no matter what the cause—we offer Rexall Olive Oil Emulsion with the same guarantee of entire satisfaction of money back. Sold only at the 7,000 Rexall Stores, and in this town only by us. \$1.00.—Bell & Robinson, Leon, Ia.
