Less Dyspepsia Now—Here's The Reason.

The fact that there is less dyspepsia and indigestion in this community than there used to be is largely, we believe due to the extensive use of Rexall Dyspepsia Tablets, hundreds of packages of which we have sold. No wonder we have faith in them. No wonder we are willing to offer them to you for trial entirely at our risk.

Among other things, they contain Pepsin and Bismuth, two of the greatest digestive aids known to medical science. They soothe the inflamed stomach, allay pain, check heartburn and distress, help to digest the food, and tend to quickly restore the stomach to its natural, comfortable, healthy state.

There is no red tape about our guarantee. It means just what it says. We'll ask you no questions. Your word is enough for us. If Rexall Dyspepsia Tablets don't restore your stomach to health and make your digestion easy and comfortable, we want you to come back for your money. They are sold only at the 7,000 Rexall Stores, and in this town only by us. Three sizes, 25c, 50c, and \$1.00.—Bell & Robinson, Leon, Iowa.

Why do some men want to carry their Bibles so conspicuously?

Accidents will happen, but the best regulated families keep Dr. Thomas' Electric Oil for such emergencies. Two sizes, 25 and 50c at all stores.
