THE CHURCHES.

Presbyterian Church Notes.

Sunday School 9:45 a. m. Preaching service 11:00 a. m. Young People's Society 6:45 p. m. Choir rehearsal Thursday 7:30 p. m. The Bible class greatly pleased and indeed surprised the Sunday school Sunday morning. It was in the form of a special musical selection, rendered by a selected quartet, consisting of Messrs S. A. Gates, H. E. Henderson and Mesdames A. J. Allen and H. E. Henderson. We trust they will again surprise and favor us. We are quite certain, too, that the young people's class will not disappoint us next Sunday; and you won't want to miss it, either, but you will if you don't come early.

It is gratifying to note with what eagerness and zest the young people enter into the services of the evening. These meetings are characterized by a spirit of devotion and helpfulness. Young people, especially, cannot afford to miss them. Remember you are invited and always welcome.

A congregational meeting is called for next Sunday at the close of the morning service for the purpose of determining in regard to the future work of the church. All the members are expected to be present at that meeting. We are glad to note that the attendance at our morning service has not been greatly affected by the extremely hot weather.

Of course, everyone present at the union service Sunday evening on the church lawn was glad to see the large audience; and those who were unfortunate enough not to be there, will want to be there next Sunday evening and to see a large audience—weather permitting. We wish you would—by an increased attendance—enforce the management to furnish more seats, even if they are of the makeshift kind. There will be union about practice at our church this evening from 7:30 to 8:00 o'clock. Everyone who will assist with the choir music are urged to be present. Come, let us make our union praise service joyful and inspiring.

Epworth League Program.

The following program will be given by the Epworth League next Sunday evening at 7:00 o'clock in the Methodist church:
1. Hymn, "We're Marching to Zion."
2. Scripture and prayer by pastor.
3. Hymn, "Jesus is All The World to Me."
4. Address by League president, Dewey Long.
5. Piano solo, Alma Kindblade.
6. Reading, Miss Mabel Horner.
7. Vocal solo, Mr. Russell Manley.
8. Piano duet, Mrs. Manley and Gretchen Hurst.
9. "The Light of the World is Jesus"—given in the sign language by Miss Annette Howard.
10. Epworth League benediction. You are very cordially invited to hear this program.

Fortunes never come singly and neither do blessings.

Methodist Church Notes.

Benevolence pledges are to be paid this month. In the absence of our benevolence treasurer these pledges may be paid at the parsonage or in the regular basket collection on Sunday, making sure to use an envelope marked "B." A carton containing such envelopes hangs just inside the church entrance. Kindly tend to this matter before July 31st, as it is a big task to collect by calling on each one. Those who did not receive a copy of the District Methodist last Sunday may have one at the close of the morning service next Sabbath. These contain much interesting reading, and keep us informed on events in the Charleston district. Choir rehearsal this evening at 7:30 sharp in the Presbyterian church. This is a union practice for the first half hour, and singers from choirs of the town are urged to come. The "Boat Race" in the Sunday school is becoming more exciting. The Navy Blue ship passed the Red one last Sunday. Which will be ahead next Sunday? Come and see. 9:45 is the hour.

The Epworth League has a literary program planned for Sunday evening at 7:00, a more definite announcement of which appears elsewhere in this issue. Union services on court house lawn next Sunday evening, weather permitting. If the service must be held indoors it will be in the Christian church. All are invited.

Christian Church Notes.

Prayer was the subject of the devotional service at the Christian church last Sunday morning. An excellent article on prayer was given by the leader, Mr. Scott. Mr. Chastain also gave some splendid thoughts on the power and result of prayer. There was an increase in attendance but many are missing the fellowship of these communion services.

The Bible school was quite well attended. The special numbers given by Doris Lowrance and Marjorie Turner were nicely given and were much appreciated by the school. Prayer meeting Thursday evening. All the regular services next Sunday.

Family Circle Offer.

Here's the latest magazine offer put out by the Evening Tribune, Iowa's fastest growing newspaper. Because there is something in this offer of interest to every member of the family it has been named "The Family Circle Offer."

You can get the Evening Tribune, (for every member of the family), Farm Engineering (for father), People's Popular Monthly (for mother), Family Work Magazine (for sister), and Boys' Magazine (for brother), all one full year for only \$2.00, the price of the Tribune alone. This is truly a family circle offer.

We recommend it to you. Send your order through this paper, your postmaster or direct to The Evening Tribune, Des Moines, Iowa.

Thos. F. Deisher.

Thomas Finley Deisher died at his home in Villisca, Iowa, early Tuesday morning, July 14, at the age of 75 years and 8 days. He had been sick only a few days, and his death came as a shock to his wife, as it had not been thought that he was seriously ill. Mr. and Mrs. S. F. Dent of Woodland, the latter a sister of Mr. Deisher, came on Monday, and remained until after the funeral. Other relatives, except their daughter, could not be present. The funeral service was held at four o'clock Wednesday afternoon, from the home which Mr. and Mrs. Deisher had purchased just a short time ago. The services were conducted by Rev. W. J. Ewing, pastor of the Presbyterian church, and music was furnished by Mrs. Hough and Mrs. Barker of the Presbyterian church choir. Interment was in Villisca cemetery.

Thomas Finley Deisher was born in Virginia, July 6, 1839. He married Miss Nancy Ellen Reese in Dallas county, Iowa, on Feb. 5, 1884. To them four children were born, two of whom are deceased, one son dying in infancy, and another at the age of 24. The wife, and two children survive. The children are Mrs. Chas. Parker of Shambaugh, and Alexander Deisher, of Villisca, now in North Dakota.

Mr. Deisher is also survived by four grandchildren, children of Mrs. Parker, and by two brothers and three sisters, namely: J. M. Deisher, Woodland; Carey Deisher, Garden Grove; Mrs. W. A. Curry, Leon; Mrs. Matthew Elder, of Albia; and Mrs. S. F. Dent, Woodland.

As stated above none of these could be present, except Mrs. Dent. The son also of Mr. Deisher could not be reached in time for the funeral. Robert Brown went up to Rochester, Minnesota, Monday to have the Mayo Bros. examine his limb that was partially amputated some time last year. It has been giving him considerable trouble this season and he thought that perhaps another amputation might relieve the pain and inconvenience he has been suffering. We all hope for the best results.—Grand River Local.

W. K. Macy the past few days has been engaged in the manufacture of peppermint oil and we doubt not but it is the first that has been made in this section. Earlier in the season he planted some of the plants from which the oil is made, and arranged a still for extracting the oil from the leaves. From all appearances it is the real thing.—Garden Grove Express.

Howard H. Tedford, of Mt. Ayr, passed through this city last Thursday evening, returning from Des Moines, where he attended the republican state convention. Mr. Tedford was elected as member of the state central committee from the Eighth district.

Don't be above helping the school teacher to bring up your children.

J. A. Bryant Engages in Business in Albia.

J. A. Bryant, formerly of Osceola, who is well known in this city, being a son-in-law of W. R. Moore, will engage in the dry goods business at Albia. The Albia Republican of last week has the following to say of Mr. Bryant:

J. A. Bryant, who has been in the dry goods and ready-to-wear departments of several stores, will engage in business for himself and expects to soon have a large stock in the city. He has leased the room of D. M. Anderson on the north side of the square and which has been occupied until this summer as the Johnson millinery. On next Saturday Mr. Bryant will go east and will visit all the principal cities and will make purchases which will be especially interesting and pleasing to the people of this vicinity. He is well versed in buying as well as handling the retail trade and will give his personal attention to all matters in connection with the new store. He will carry a complete line of ladies ready-to-wear and millinery. The room is being especially prepared for him, being extended for thirty-two feet, and made modern in every way. He has already made a selection of young ladies who will assist in selling in the store. He is a practical man in every way, has had the necessary experience and will have a store which will be second to none in southern Iowa.

Barn Burned.

During the storm last evening lightning struck the barn of Geo. Burchett and it was burned together with the contents, two calves, buggy, harness, a new cultivator, etc. Luckily for George, he had just about half an hour before turned his horses out into the pasture. The barn was insured and the loss will not therefore, fall so heavily on him but the busy time of the year will make the rebuilding quite a task.—Grand River Local.

Boy Struck by Lightning.

During the electrical storm last evening Henry Guest, the fifteen year old son of Frank Guest, who lives on the Scott farm eight miles northeast of Mt. Ayr, was struck by lightning, while doing his chores. He was taken to the house and medical aid was summoned from Mt. Ayr. The boy remained unconscious all through last night but the report is that he is regaining consciousness this morning.—Mt. Ayr Independent.

In taking a bottle of carbolic acid from a high shelf in his office Thursday Dr. C. E. Lovett was severely burned by some of the liquid spilling on his forehead and face and severely burning his right eye which has since given him much pain. The proper antidotes were within reach of the doctor when the accident happened and were instantly applied, or the result might have been more serious than it was.—Linnville Tribune.

Weather Crop Bulletin.

For the week ending July 19, 1914. Des Moines, Iowa. Hot weather prevailed until Thursday evening, when quite general showers preceded a cool wave. Heavy showers also occurred in many localities on the night of the 12th, the heaviest rain, both on the 12th and 16th being reported from the eastern part of the south central and southeastern counties, where the moisture was badly needed. In many localities the showers were accompanied by high winds and electrical storms, and in some sections hail. Much damage was done to corn and uncut grain was badly lodged. The storms were, however, of a local character, and the beneficial effects of the rain will far exceed the amount of damage done by wind and hail. Corn over the greater part of the state is still in good condition and earing well, but more rain would be beneficial. Harvesting is about completed in the southern counties and is well advanced in northern districts. Threshing is progressing rapidly and reports indicate fair to good yields of all grains. Rain is needed for pastures, potatoes, blackberries and apples, and would benefit corn.

Geo. M. CHAPPELL, Section Director.

Off To The Mountains.

I. N. Beard and wife accompanied by their son Vivian who arrived in the city from Pittsburg Saturday evening and Mr. and Mrs. Chas. Edwards comprised an automobile party who left the city early Sunday morning for an outing which will take them to Denver and Colorado Springs by way of Omaha, Fremont, Grand Island and Cheyenne. They expect to be gone about four weeks returning by way of Kansas City. They took no tent or provisions, expecting to have their luncheons served at cafes and to put up at hotels at night. They are to be congratulated upon the delightful opportunity before them and here's hoping that no accident may occur to mar the pleasure of the trip.—Osceola Sentinel.
