Infection and Insect Bites Dangerous.

Mosquitoes, flies and other insects which breed quickly in garbage piles, ponds of stagnant water, barns, musty places, etc., are carriers of disease. Every time they bite you, they inject poison into your system from which some dread disease may result. Get a bottle of Sloan's Lintiment. It is antiseptic and a few drops will neutralize the infection caused by insect bites or rusty nails. Sloan's Lintiment disinfects cuts, bruises and sores. You cannot afford to be without it in your home. Money back if not satisfied. Only 25c at your drugist.
