

**E**CONOMY is taught by experience. Once you know how satisfactory Ivory Soap is for the bath and toilet, you will use no other. That will mean a saving of 3c to 20c per cake, depending upon how much you have been paying for toilet soap.

We say "You will use no other" because Ivory is sure to please you. It cannot make your skin smart or burn no matter how delicate. It gives a copious lather. It rinses easily. It always leaves your skin refreshingly clean. Its high grade materials give it the most pleasing natural odor imaginable.
