For Rheumatism.

As soon as an attack of rheumatism begins apply Sloan's Liniment. Don't waste time and suffer unnecessary agony. A few drops of Sloan's Liniment on the affected parts is all you need. The pain goes at once.

A grateful sufferer writes: "I was suffering for three weeks with chronic rheumatism and stiff neck, although I tried many medicines, they failed. Fortunately I heard of Sloan's Liniment and after using three or four days am up and well. I am employed at the biggest department store in S. F. where they employ from six to eight hundred hands, and they surely will hear all about Sloan's Liniment." H. B. Smith, San Francisco, Cal.—Jan. 1915. 25c at all druggists.

As the worst of the winter is in all probability past, we have changed the time of our mid-week prayer meeting back to Wednesday night of the week. We will meet regularly at 7:30. The Philathea class will have charge of the services Wednesday evening, Feb. 23.

Last Sunday evening our Epworth League in point of attendance was the largest in the conference year. There were 49 present. The service was not only well attended, but from start to finish it was a spiritual feast of good things. The theme for Sunday evening is "What Does It Mean To Be A Church Member?" All are invited.

Our Ladies Guild has made plans and arrangements for extensive improvements in our church basement. The wainscoting will be replaced, a steel ceiling will be put on throughout the basement and the walls will be redecorated. The improvement is a much needed one and when completed will put our basement in a class with the best in the conference. Our Ladies' Guild is certainly an organization to be proud of. Let us tell them about it, and if there is any way in which we can encourage and help, let us offer our best.

Our society accepted the invitation to meet with the other Christian Endeavor societies at the Christian church next Sunday evening for fellowship and to plan for the district convention which is to be held here at Leon in the spring.

"Religion, a Normal Experience," is the theme for our service next Sabbath morning. If it is normal, why is there so much abnormal living. Come and let us consider it together. In the evening the pastor will speak on Equal Suffrage. This is a question of moral as well as political import and invites your consideration. The public is cordially invited to the service whether or not you are in favor of equal suffrage.

THE BIG FURNITURE AND RUG STORE
First Door North of Hansell's

Complete Stocks of the New Whittall Rugs for Spring Await Your Inspection

So well recognized has the WHITTALL standard become that the same prestige the Hall Mark gives to silver in the mind of the connoisseur, the name "Whittall's" gives to the rug or carpet into the back of which it is woven.

It is highly significant to note at this time that **WE HAVE NOT RAISED PRICES IN SPITE OF THE HIGHER COST**

of these rugs due to difficulties in obtaining the imported wools, dye stuffs, etc., because of the European war.

An idea of the extensiveness of our display of "Whittalls" can be gained from the following list and description of the different qualities we are prepared to supply.

ANGLO-PERSIAN

This is the most beautiful domestic rug manufactured to-day. It is as closely woven as a Persian, has a silky, mirror-like sheen and feels like velvet under foot. It is made in Oriental designs and its soft colorings sink harmoniously into their surroundings. A three shot weave.

ANGLO-INDIAN

Very similar to the Anglo-Persian but not so closely woven and not having as high a pile, it is lower in price. The designs and colorings are high grade and the weave is, like the Anglo-Persian, a three shot.

DURHAM ARABIC

A hand sewed rug in a particularly attractive new fabric—wonderfully rich and with a high luxurious pile—made in a wide variety of splendid Oriental designs and colorings. This rug is very much like the Seamless Arabic and where a less expensive rug is desired can be substituted for it.

ROYAL WORCESTER

This is a medium-priced Wilton, made from selected stock, has a fine lustre and wears well. It is a three shot weave and makes a practical and at the same time a most satisfactory looking floor covering.

TEPRAC

This quality is the result of an effort to make an attractive fabric—not too high in price and with especially fine wear-resisting qualities. All this has been accomplished and in the Whittall Teprac we offer the best low-priced, all wool Wilton made. It has a high pile and like all Whittall products, the dyes are fast.

CHLIDEMA

The best quality of Brussels. A superb grade and made in such a wide variety of patterns and colorings as to satisfy all possible requirements. Brussels always has the merit of being easily kept clean and is highly desirable in a great many places.

PEERLESS

A Brussels fabric of but slightly different quality from the Chlidema. Splendid material and with the usual Whittall high standard of workmanship. This makes a very practical and easily cared for rug.

LENOX

Bathroom rugs made with a high, pure cotton pile. They come in four designs, each one being made in several shades of blue, green, red and pink in combination with white. They are made to resist the repeated wetting and drying and launder beautifully if proper care is used.

Ellett, one of Mrs. I. S. Bracewell's 16 year old twin sons, met with a serious accident on Thursday while coasting. In riding down the hill on his sled he ran into a ditch and struck the opposite bank with such force that both bones of his left arm were broken above the wrist and his chin badly bruised and cut. Dr. C. E. Lovett was called out to the Bracewell home to attend the injured boy and at last reports he was doing all right.—Lineville Tribune.

Find Relief With Wonderful Remedy

Hundreds of Iowans needlessly suffer from stomach and digestive troubles when relief is near, if they would only take it. Mayr's Wonderful Remedy has achieved a remarkable record all over the nation.

The first dose convinces—no long treatment. Here is what two Iowans who have used it say:

MRS. WILLIAM LITZENBERG of Montezuma, Iowa, writes: "I feel so strong—have been able to do a good day's work ever since I took the first bottle. I was so weak I did not think life worth living."

MRS. S. T. OLIVER, 1226 East High street, Davenport, writes: "I am greatly obliged to you for your wonderful remedy. I never have had a pain since I took the first dose. I fell off fifty pounds, but have gained it back."

Mayr's Wonderful Remedy gives permanent relief for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.
