This is the Stove Polish YOU Should Use

IT'S different from others because more care is taken in the making and the materials used are of higher grade.

Black Silk Stove Polish

It is a brilliant, silvery polish that does not rub off or get dull, and the silicoflats last four times as long as ordinary stove polish. Used on stoves and sold by hardware and grocery dealers.

All work is done on your own stove, your front shows on your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. It is on Black Silk Stove Polish.

Made in England or France—one quality. Black Silk Stove Polish Works, Sterling, Illinois.

The Black Silk Air-Drying Iron Enamel on grate, pipes, and chimneys. Prevents rusting. Use Black Silk Metal Polish for silver, nickel, and brass. It is on Black Silk Stove Polish.
