

HANSELL'S

We are in the game at present to meet and in most cases undersell any and all competition. You are to be the judge. Listen, just pull down your big book of last issue and we ask comparison with our prices at present. I know what these houses are quoting and note their advances. My stock at last year's prices will show a saving you can't afford to pass while it's on. This isn't hot air but facts. YOU MAY BE DISAPPOINTED IN LATER BUYING BUT AT PRESENT WE ARE READY WITH YOUR WANTS.

SHOES! SHOES!

Last Saturday we probably sold more shoes than any day in our business life in Leon. Now there is a reason—all our stock was bought last spring, early, and since then there has been a constant advance. Now, folks, you are not paying this while our stock lasts and it's a matter of 30 to 40 per cent although in your favor. We have more shoes than ever before for fall and our stock is yet complete. You will save plenty by buying in shoes for your spring needs now and here.

We have a table loaded with special bargains in shoes—men's, ladies', misses', children's and boys'—short lots from stock.

Lot men's shoes, \$1.50, \$1.65 and \$2.25. Shoes in lot worth today, \$3.00.

Lot ladies' shoes sold up to \$4.00. Prices, \$1.50, \$1.98 and \$2.65 for Red Cross Shoes.

Children's and misses' shoes in lot at prices you can't afford to pass, from 55 cents to \$1.50. All at snap prices.

All Our Fall Rubber Goods Now In Stock.

Another bunch of specials for Friday morning. Men's and boys' high cuts—about all sizes but will not lay around here long—as here they go.

Men's, eight pairs Hi Cuts, \$3.00; twelve pairs men's Hi Cuts, \$3.85.

Boys', fourteen pairs 1 1/2 to 2, priced at \$2.45.

Buy these lines now, may need them most any morning.

Coats, Suits and Skirts

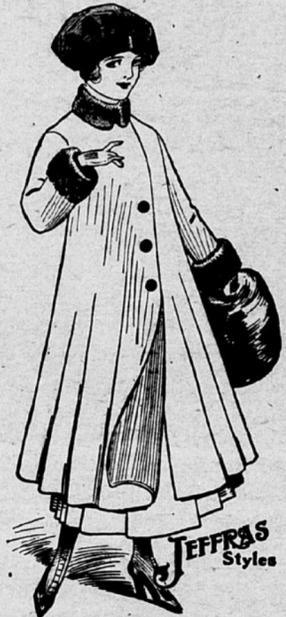

We will save you money on these lines as we are making prices here simply to meet any and all competition and will show you values just now you can't duplicate. We ask you to visit us if interested in coats, suits or skirts.

One lot suits now in the house; snappy new merchandise, underpriced \$15.00 and \$16.50.

Coats, an elegant showing for children, juniors and ladies—worth your while.

Coats, \$5.95, \$6.50, \$9.50, \$10.00, \$11.50, \$12.50, and up to \$22.50.

Our new skirts are to arrive this week. Will show you the latest and our prices will be about this: \$4.50, \$5.00, \$5.50, and \$6.50.

SPECIAL

One lot skirts in stock—about one dozen skirts in the lot, worth up to \$5.50. Will clean entire lot at the one price. Commencing Friday morning, special, each

\$2.95

No alteration at our expense on this lot.

Folks, we mean business and intend reducing this stock plenty instead of advancing prices and it is to your good to help yourselves while the stocks are in good condition.

MAKES ANY WORK A PLEASURE AND LIFE LOOK ROSY

Tanlac. A Splendid Key to Health, is Near Everybody's Home.

Wealth without health is like a wagon without a horse—like an engine without steam, but, when a man has health, everything in life looks rosy and the road to wealth seems easy.

The vigor and vim that health gives a man makes everything look easy—his work is a pleasure and his life a happy one, but, when he begins to have a languid, downcast feeling—a don't care sort of life—he is usually the victim of an attack of stomach ills. He has dull headaches, bowels are clogged, food is a burden on his stomach, his nights are broken with bad dreams and he arises unrefreshed, is restless and tired before the day's work has ever begun.

It is then a person loses ambition to attain wealth. The world is not attractive.

It has been said that "There are as many gold mines in your own home as in far-away Alaska." The very key to health is near and needs but little search.

Perhaps this little article will remind you of some friend who has been helped by Tanlac.

Tanlac builds health through the stomach, blood and nerves. Strong nerves and rich blood contribute generously to the forgetfulness of sickness. Tanlac arouses to effective action the elements of nerve mastery that subdue consciousness of defective health. It is the choicest medicine for feeble, fretted nerves and is being specially introduced in Leon at Bell & Painter's.
