To My Patrons:

I am much impressed in the generous growth of Tree and developers throughout the city and county of Decatur and which have fully demonstrated that much good is done by the systematic development of our community and the good works that are being done by the different organizations of our community.

We are now in the process of making a survey of the city and county of Decatur and will be making a report of the same to the people of the city and county of Decatur. The survey will be made by Mr. A. H. Dooley, who has been in the business of development for over twenty years.
