## What Our Neighbors Say

Muscatine, Iowa.—"When in Oklahoma and waiting to build, I was exposed to cold weather. I was not well and felt the need of some medicine to give new strength. Having seen 'Golden Medical Discovery' advertised I procured and used one bottle, then I used the 'Favorite Prescription' also. These two combined caused me to get stronger and to throw off the unpleasant effects of the exposure."—Mrs. SARAH BARTON, 123 West Front St.
