Every Sabbath is a great day at the Presbyterian church. Splendid music is a feature of every service, and more and more folks are discovering the attractiveness of its services. Next Sabbath morning the sermon subject will be "The Forsaken Christ." The evening service, which begins now at 8:30 o'clock will have the subject "The Boy That Andrew Brought." There will not be a dull moment in this sermon. Sunday school promptly at ten o'clock. On Thursday evening of this week Miss Edith M. Urey, head of the music department of Des Moines College will be heard in an organ recital. Miss Urey is one of the finest organists in the state and has arranged a wonderfully interesting program. She will be assisted by Mr. Ralph Petty, Miss Faye Rhodes, and perhaps others. It will be a musical event that no one should miss. Christian Church. Services will be held in the Christian church, Leon, next Sunday, June 16, as follows: Bible school 10 a. m. Lesson will be found in Mark 15:22-39. Our Bible school is growing and the future progress depends altogether on our faithfulness during the summer months. Very true it means an

effort on the part of mankind to keep his hand in the hand of the one who ever leadeth us in the busy paths of life, but ah, we know there will be no such a thing as going over the top unless we do follow the Christ. Preaching service at 11 o'clock. Christian Endeavor will meet at 7:30. Evening preaching services will begin at 8:30. As has become our custom we had the old people with us again last Sunday. It is indeed very pleasing to know what great interest those big, strong, true hearted men of our church takes in making plans and arranging for the comfort of the old people and in making it possible for them to meet with us in these special services. Last Sunday evening the great audience enjoyed the crowning service of the season. The many children who were in the program surely did themselves proud and too much could not be said for those who so ably trained the children for this special service. Mrs. Little, Mrs. Champitt and Mrs. Flannery became responsible for the program and it was pleasing in every way.

You Can Fool Yourself But Not Your Battery

You may think you added enough distilled water, and still be mistaken. You may waste current and never realize it. You may be using the headlights too much and charging the battery too little. But your battery writes the real story as it goes along.

That's why you ought to stop today and have a test made - to see whether you have been fooling yourself or not. And ask about the Still Better Willard with Threaded Rubber Insulation. This is the only battery with the "Bone Dry" principle that is your absolute assurance of getting a battery as new as the day it left the factory.

Leave It To The Farmers

There is a food problem connected with the war, but it's a problem of consumption, not production. The farmers of the country have very nobly and patriotically done their part so far to help win the war, and as far as our farmer neighbors in this section are concerned, we know they are going to continue. So every time the food situation is discussed, we have a ready and conclusive answer: "Leave it to the farmers."

We had to give this same answer the other day, to a salesman who wanted to know how we came to sell so many more good clothes than other stores do in towns about the size of this one. We said: "Leave it to the farmers. They've learned to rely on

KUPPENHEIMER CLOTHES

and they know what clothing value is. They don't trust to luck, they trust to experience."

Kuppenheimer Clothes \$25 to \$60

Kuppenheimer Air-O-Weaves--light and cool for summer wear--\$12.50 to \$25.
