

**Normal Weight**  
Perhaps you are worried because your child does not pick up in weight? Better try **Scott's Emulsion** and watch how it helps make a thin child grow and put on weight. There is nothing quite so strengthening as Scott's Emulsion for a child of any age.

Scott & Bowne, Bloomfield, N. J. 1913

**For Tractor Lubrication**  
**Heavy Polarine Oil**  
**Stanolind Tractor Oil**  
**Extra Heavy Polarine Oil**

Stanolind Tractor Oil has been found, through severe and thorough tests, to be the best lubricant for more than one-half of the tractors made. Extra Heavy Polarine Oil or Heavy Polarine Oil is recommended. Any Standard Oil representative will be glad to show you the chart of Tractor lubrication, prepared by our Engineering Staff. It indicates specifically which of these three oils the Standard Oil Engineers have found will give the best results in your particular tractor. We have just published a 100-page book "Tractors and Tractor Lubrication," prepared by our engineering staff, which you will find a valuable reference book, and we believe it will save you many days of tractor idleness with the resultant money loss. It's free to you for the asking. Address Standard Oil Company, 910 So. Michigan Ave., Chicago, Ill. 1751 (Indiana)

**MONDAY and TUESDAY**

The famous author, Harold Bell Wright, personally selected the characters and assisted in the day by day work of making this picture.
