

The swiftest dog in the world, the borzoi, or Russian wolfhound, has made record runs that show seventy-five feet in a second, while the gazelle has shown measured speed of more than eighty feet a second, which would give it a speed of 4,800 feet a minute if the pace could be kept up.

"A costly suit" used to mean a lawsuit. Nowadays it means clothes. The Jones county calf case hasn't anything on the man who needs pants.

If you feel bad; if you are "blue," tired and discouraged, without apparent reason, you need Prickly Ash Bitters, the system purifier. It restores action in the torpid liver, cleanses the stomach, helps digestion, drives out gas and fermented matter in the bowels, and brings back that fine feeling of strength, vim and cheerfulness which only men in perfect health enjoy. Price \$1.25 per bottle E. E. Bell, special agent.

**The Range that Will Not Rust Out**

Why not investigate the range that is lined with pure sheet copper? They cost no more than other malleable and steel ranges. Where other ranges are weak and rust out, the Copper-Clad is strong and will not rust out. Perfectly smooth nickle trim, sanitary joints—no corners.

Let us show you through the line and convince you of the conveniences.

The following parties have recently purchased Copper-Clad ranges: John Fuller, J. W. Jacobs, Dr. C. H. Mitchell, Tommie Jackson, John Randolph and Lyle Mitchell, of Leon; Roland Brannaman and Irving Brannaman, of Grand River.

Call up these people and ask them their opinions.
