Last Friday Ernie Street purchased the Ira Young farm east of town, paying the neat sum of \$215.00 per acre. Mr. Young sells to go west in hopes of regaining his health. Mr. Street bought the farm for a home and is now busy getting his fall plowing done. This is a fine farm and, as others are selling, is a fair price.—Grand River Local.

KIDNEYS WEAKENING? LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain. This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

WHITTALL RUGS

The Best Buy at any Price

LIKE everything else, Whittall Rugs have gone up. At present prices, they are a considerable investment.

That word *investment* characterizes these rugs. Although it takes a good sum of money to buy one, they are no higher than before in proportion to other things; and once you buy one, you have something that will last a life-time.

Unlike cheap floor coverings, a Whittall Rug does not have to be replaced every few years. And it is a thing of beauty, first, last, and always.

F. S. STEWART

Ford
THE UNIVERSAL CAR

The Ford Sedan, with electric starting and lighting system, demountable rims with 3 1/2-inch tires all around, is the ideal family car because of its general utility and refined and comfortable equipment. Finely upholstered. Plate glass windows. An open car in the spring, summer, and early fall. A closed car in inclement weather and winter. Rain-proof, dust-proof. In the city or the country, a family car. The low cost of operation and maintenance is not the least of its charms. Won't you come in and look it over?
