

Pleasant Ridge.

Mrs. Charles Foland and daughter, Lois, spent Saturday afternoon with Mrs. George Foland. Ben Redman, of Van Wert, and George Redman of near Delray, were in Grand River last Friday, buying stock.

Mrs. Charles Hukill and children, of Grand River, spent Tuesday with Mrs. E. C. Vanderpool. Raymond Morell and E. C. Vanderpool made a business trip to Decatur last Monday and called at the William Stout home near Delray also.

Dr. Bone, of Grand River, has sold his property and has bought land in Texas and will move there in July. Doc Bone has been in Decatur county 56 years, his friends will surely miss him; we wish he and his wife success in their new home and that they may enjoy it greatly.

Mr. and Mrs. H. L. Braummer and family spent Sunday with Mr. and Mrs. John Acton.

Mr. and Mrs. Isaac Foland spent Sunday at the home of their son, George Foland.

Rev. E. C. Vanderpool started last Monday for Buffalo, where the great Baptist convention will be held, commencing the 23rd of June and will last until the 29th. Mr. Vanderpool will see lots of Baptists there as there are 27 Baptist churches in the city. Rev. Vanderpool also planned to visit Niagara Falls as it is only 15 miles from the city.

Rev. Charles Hickman, of Missouri, filled his regular appointment at Pleasant Valley Saturday and Sunday.

Mrs. Lavina Jimmerson spent the past week with her daughter, Mrs. Arthur Evans.

Mrs. Ida Chipp is staying with Mrs. E. C. Vanderpool while Rev. Vanderpool is on his trip to Buffalo.

Grandma Brummer spent part of the past week with her daughter, Mrs. John Acton.

Mr. and Mrs. Earl Deao, of Creston, came Saturday to visit with their friends in Grand River.

Mrs. Homer Brown and daughter, of Creston, came Saturday to visit with her parents, Mr. and Mrs. George Ball.

Fairview District No. 8.

Corn plowing is getting along fine. Mrs. D. L. Davis returned to her home one day last week from Williamsburg, Iowa, where she has been visiting with relatives and friends. She brought her niece, Miss Dorothy Williams, home with her. Miss Williams will go to Des Moines Tuesday and from there home.

Quite a few from here attended the ice cream supper of the Farmers Union at the Crown school house Wednesday evening.

Willard Lewis, of Siloam Springs, Arkansas, spent several days last week with his friend, Orville Hughes.

Frank Lewis and son Willard, departed in their car for their home at Siloam Springs, Arkansas, after a few weeks visit with friends in this part of the county.

H. E. Hughes and family spent Saturday on Grand River banks.

Mary Jane says it is no trouble at all to overcome the shortage in paper stock. Cut out the cigarettes.

An Illinois professor quit his job as a teacher and accepted one as janitor of the building, at an increase of salary. A case of brawn being more valuable than brains.

**An Important
Letter**

Cedar Rapids, Iowa.—“I have used Dr. Pierce's Favorite Prescription for one year. Before I started to take it every month I was in bed three to four days under a doctor's care. I was only 27 years old but the doctors said I would have to have an operation before I could be well. I was so tired all the time and my nerves seemed to be all gone. I could not sleep at night and had headache all the time. I quit the doctors and started to take Dr. Pierce's Favorite Prescription. I took it four times a day, and in three months I did not have to go to bed, did not need a doctor. I gained so much in the three months that my husband said 'You take that medicine for a year,' and I did so. Now I do all my housework and have never had a headache since. I sleep good, eat good, and feel good, my nerves are fine. It has been twenty-one months since I have taken the 'Prescription' and I have not had any return of the trouble so far. I recommend the 'Favorite Prescription' to every suffering sister.”—MRS. NOBLE LOCKHART, 1111 I Ave. East.
All druggists. Liquid or tablet form.

**Saving 3 Hours
53 Minutes on
Every Bushel
of Corn**

MR. Frank D. Gardner in Successful Farming says that, with man power, from plowing to feed trough it takes four hours and thirty-four minutes work to raise one bushel of corn. The use of power machinery has reduced this to forty-one minutes, thus enabling one man to do the work of six.

The importance of this saving of time may be realized when we learn that for 1920 Iowa is short 50,000 farm hands. Similar conditions are reported from the Middle West generally. This presents a serious problem.

The answer is gasoline power used in tractor, truck and automobile. The food supply of the future depends upon gasoline.

Last year the Standard Oil Company (Indiana) provided the Middle West with power for 16,438,000 motor miles a day. Much of this went to the farms to help multiply the crops. Much of it was used in motor trucks to help the farmer get his crops to market.

The demand for gasoline was great, and the Standard Oil Company (Indiana) was ready with the supply. That silent, watchful readiness was based upon the foresight and resourcefulness of an organization trained to its task through years of experience.

The manufacture of gasoline is not the sole function of the Standard Oil Company (Indiana). Equally important is its service of placing the gasoline where the consumer can get it easily and quickly.

More than 1,300 Service Stations and over 7,000 tank wagons and trucks are operated by the Standard Oil Company (Indiana) to make gasoline and lubricating oils constantly available for increasing the 1920 crops.
